October Notes:

Lloyd Harbor School School Improvement Team Notes from October 22, 2013

3:30 p.m.

Discussed how to implement Brain Booster to LHS.

- Concept of exercise stimulating the brain

Mrs. Massimo and Mrs. Visceglie will collect research information and create a template for each member to use when typing up the activity.

Ms. Diehl will create a format for the pamphlet so we can insert the activities at the next meeting.

Each member will find an activity that can be done individually (fine motor) or by the whole class (gross motor).

We will show the activities to the P.E. teachers to get their input.

Goal: To complete the Brain Booster pamphlet at the next meeting so we can move on to meeting our other goals (Manners Count and Give Kids a Chance to Shine).

Some of the members of SIT will be presenting at the Shared Decision Meeting on Thursday.
