

West Side School

Friday Notes

June 13, 2014

Principal's Corner

Winding down to the end of the school year is always an exciting time. This week was no different! Our second graders rehearsed for their annual performance "Symbols of America" which is scheduled for next Tuesday at the PAC where they will join their peers from Lloyd Harbor for the third year in a row. Third graders took a field trip to the Vanderbilt Planetarium and participated in biography book clubs. Fourth graders gave two marvelous performances of their spring concert on Monday and spent time in the computer lab as they finalized their itineraries for their field trip to Philadelphia which will take place next Friday. Fifth graders continued their work on their Latin American banners. Students have discovered a wealth of information about their countries as they worked in small groups. West Side sixth graders took their end of the year trip to Coleman Country Day Camp where they participated in a number of activities including rock climbing, swimming, soccer, and much more. They are looking forward to meeting up with their Lloyd Harbor friends again on Monday night at the Unity Dance at Cold Spring Harbor High School.

Thank you to Mrs. Alcamo and Mrs. Mannino for a wonderful camp out. This truly is an event that makes our school unique.
