**Please make sure that your child is not late to school on testing days. EXAMS BEGIN PROMPTLY AT 9:00 am.**

Parents can help to prepare their children for success by:

- ensuring they get a good night's sleep before each day of testing
- providing them with a balanced breakfast on the morning of the exam
- encouraging them to simply try their best when taking the tests

While we're off from school, there's plenty of time to enjoy a good book. If you are looking for recommendations for your children, please have them speak to the teacher or Mrs. DiCioccio (our librarian). Additional resources (for all subject areas) can be found on teacher websites!

Thank you for your continued support.

Sincerely,

Valerie R. Massimo
