We continued to work on our goal for the rest of the year: to enhance the morning announcements by increasing student involvement.

We will collect interesting facts, quotes, poems, songs, and vocabulary to be read by first graders each morning and prepared scripts/cue cards/ lyrics for students to present/ share during the months of April and May.

- April's theme is the **Earth and Conservation**.
- May's theme will be government, patriotism, Armed Forces (to coincide with Memorial Day).

At our next meeting, we will work on June's announcements, which will have a summer theme.

Our next meeting will be on Monday, May 11th at 3:15. ***Note the change from 5/18 to 5/11.
