

### Principal's Corner

Many of our students have been experimenting with our new peg board and pull-up bar during physical education. What a huge success! As the week progressed, second graders learned more about the stages of the butterfly, published their small moments in writing, and explored new strategies to use during reader's workshop. Readers do not wait for someone else to catch their mistakes; they check for mistakes on their own. Meanwhile, third graders drafted and revised their writing pieces. They focused on the organization of their thoughts, specifically looking at the beginning, middle and end. During math, learners used pictures and symbols to represent different aspects of word problems to break them down. Fourth graders practiced writing new leads during writer's workshop, continued to program Lego robots in the community room, and elaborated on their thinking when responding to their texts. Fifth graders participated in book club conversations, pushed themselves to be more descriptive in writing, and learned about genetics during science. Finally, this week our sixth graders met with scientists from the DNA Learning Center who taught them about petri dishes. They also read the writing of their peers to provide feedback, discussed the ending of *Out of My Mind*, and learned about cholesterol and its connection to animal products during health.

Thank you to Mrs. DeMarco and our PTG volunteers for another successful Book Fair. On Tuesday and Wednesday students shopped for new titles that spanned the various reading levels. The fair also provided a number of informational texts and chapter books from which they could choose. Additional thanks to Mrs. Monaco, Mrs. Jasinski, Mrs. Standerwick, and the Acker family for planning and hosting the West Side Win. It was another incredible evening in which our community came together to share a night with old friends and meet new families.

### Update from Security

Many of our parents arrive early to pick up their children in the Stewart Lane pick-up circle. If you are picking up your child in the afternoon, and you arrive before 3:05, please turn your engine off. The lack of exhaust will make for a safer learning environment for our students. There are a number of classrooms surrounding the circle and many of them keep their windows open in the afternoon. In addition, we are experiencing an increase in parents picking up their children from the Airplane Wing during dismissal which is making it difficult for us to monitor the building. Beginning November 2<sup>nd</sup>, parents will be able to enter the building to pick up their children no earlier than 3:05.

### **Yearbook**

**We need your help to create a beautiful keepsake for our children.** We need **2 parents to cover sales ...** this is done mostly online and you really don't start until March. Also needed are **parents from 2nd, 3rd and 4th grade to prepare candid pages...**we have no one from these grades on the committee and we really need your help. The work is minimal and yearbook pages can be done on your own time. It is as easy as using Shutterfly or creating a photobook. Any help would be most appreciated. Contact me at [milanakat@yahoo.com](mailto:milanakat@yahoo.com) to volunteer.

**Get your pictures in the yearbook!** The Yearbook Staff invites students and parents to submit photos for the yearbook. If you've got great photos of school and community events or you and your friends just having fun, we'd like to see them. Our photographers can't be everywhere. Help us get as many photos as possible to create a terrific

book everyone will want to have.

Here is how you can submit photos online:

- Go to: <https://images.memoryebooks.com/login>
- If it does not automatically log you into the site, enter username: 403103590
- Browse to select the photo(s) you wish to upload.
- Enter information about the photo and provide contact information in case the staff needs additional information.
- Click "Save Details".

It's that easy! Submit your photos today! Thank you, and enjoy the rest of the school year!

Sincerely,  
Kathleen Milana
