

Principal's Corner

This week our second graders took a field trip to Schmitt's Farm where they picked pumpkins and radishes, walked through the petting zoo, and took a hayride. Thank you to all of our parents who joined us on the trip. Third graders examined patterns found in math products and honed in on spelling during writer's workshop. A strong writer edits his or her work for spelling errors! In addition, thank you to all of our parents who joined Dr. Dawkins' class for their writing celebration. Fourth graders worked on writing complete sentences and using correct punctuation. They also made slime in the science lab with Ms. Baratta. A little water, corn starch and food coloring goes a long way! Fifth graders debated which characters best represented the themes of their books and which ones worked against them. They also studied various features of nonfiction text in preparation for their informational writing unit. Sixth graders created glogsters during social studies which is a new and creative way to make posters online. They also discussed social issues during reading. Finally, special thanks to Mrs. Provisero and Mrs. Smith for an extremely successful Winter Coat Drive to support the Helping Hands Rescue Mission.

Looking forward to seeing everyone tonight at the Halloween Dance!

Update from Security

Many of our parents arrive early to pick up their children in the Stewart Lane pick-up circle. If you are picking up your child in the afternoon, and you arrive before 3:05, please turn your engine off. The lack of exhaust will make for a safer learning environment for our students. There are a number of classrooms surrounding the circle and many of them keep their windows open in the afternoon. In addition, we are experiencing an increase in parents picking up their children from the Airplane Wing during dismissal which is making it difficult for us to monitor the building. Beginning Monday, parents will be able to enter the building to pick up their children no earlier than 3:05.

Orchestra Update

5th and 6th grade early morning orchestra rehearsal is canceled for Monday, November 2nd. Orchestra lessons will continue again on Tuesday, November 3rd at 7:45 AM in the orchestra room.

Yearbook

We need your help to create a beautiful keepsake for our children. We need **2 parents to cover sales ...** this is done mostly online and you really don't start until March. Also needed are **parents from 2nd, 3rd and 4th grade to prepare candid pages...**we have no one from these grades on the committee and we really need your help. The work is minimal and yearbook pages can be done on your own time. It is as easy as using Shutterfly or creating a photobook. Any help would be most appreciated. Contact me at milanakat@yahoo.com to volunteer.

Get your pictures in the yearbook! The Yearbook Staff invites students and parents to submit photos for the yearbook. If you've got great photos of school and community events or you and your friends just having fun, we'd like to see them. Our photographers can't be everywhere. Help us get as many photos as possible to create a terrific book everyone will want to have.

Here is how you can submit photos online:

- Go to: <https://images.memoryebooks.com/login>
- If it does not automatically log you into the site, enter username: 403103590
- Browse to select the photo(s) you wish to upload.
- Enter information about the photo and provide contact information in case the staff needs additional information.
- Click "Save Details".

It's that easy! Submit your photos today! Thank you, and enjoy the rest of the school year!

Sincerely,
Kathleen Milana

The Yearbook Staff will review all photos and determine final yearbook content. We cannot guarantee that all submissions can be used in the book.
