

Dear Parents,

Our parents and community members support and enrich our students' education in so many ways. Today's Goosehill University was yet another example of our strong home-school connection and the commitment of our parents. Thank you to our SIT members for organizing a terrific day for the children and a special thanks to all of our workshop presenters for providing such an exciting educational experience for our students. Visit the Goosehill website next week to view photos of the day and see all that the children learned from our parents and teachers. Here is a sampling of the workshops:

- 1) Cartooning with Mrs. Fraiberg
- 2) Yoga with Ms. Shalley and Mrs. Schmid
- 3) Music with Mrs. Lin (Sophie's mom)
- 4) Exercise and Fitness with Mrs. Mullin (Riley's mom)
- 5) The U.S. Army with Lieutenant Colonel Melendez (Gunner's dad)
- 6) French with Mrs. Yvette Caracciolo (Adeline's Grandma)
- 7) Camping with Mr. Cortese (Julia's dad)
- 8) Art Interpretation with Mrs. Katz (Lillian's mom)
- 9) Dog Care with Mrs. Monaco (Luca's mom)
- 10) Irish Dance with Ms. Power and Ms. Foley
- 11) Spanish with Miss Malu and Mrs. Siegel
- 12) Games with Ms. McNamara and Ms. Wallace

Thank you all for an enriching, exciting day!

If you will be staying home next week, there are a number of fun and educational activities on Long Island to enjoy with your children. See the revised Goosehill Parent Handbook on our website for ideas!

The faculty, staff, and I hope you enjoy the week off with your children. We send our best wishes to our families celebrating Easter and Passover.

Warm regards,
Mrs. Herschlein

FOCUS (Families of the Community United through Schools) is a district wide organization that involves families, schools and the community. The purpose of FOCUS is to promote the skills and environment necessary for children to make healthy and responsible decisions. This is accomplished through parent education and discussion on issues that are important to the community. Through information, education, and collaboration we seek areas in the identified school community that can be improved upon. Our panels have often included authors, professors, lecturers as well as school administration, teachers, counselors and parents.

FOCUS meets once a month. Members of FOCUS will be able to meet with principal/administration at the start of the year to create an agenda for the school year and help with transition meetings at the end of the year. If you are interested in getting involved with FOCUS please contact Nicole Prizzi at nrotunda@gmail.com OR 516-238-6692 (cell).
