

## Goosehill Primary School

Weekly Notes- May 12, 2017

Dear Parents,

With just six weeks remaining in the school year, we have begun the process of preparing our students for the transition to the next school year. The ability to deal with change is an important skill for children to develop-whether it's the end of the school year or the move to a new home, change can bring feelings of sadness and uncertainty as well as anticipation and excitement. Our goal is to provide opportunities that will help our students understand the upcoming changes and feel comfortable asking questions and sharing any concerns they may have. While we address the changes, we keep things simple. Children don't need to be overly concerned about the future! We simply want them to feel confident that no matter which school they attend or classroom they are assigned, they will be safe, comfortable, and happy.

While our current kindergarten students will have the simplest transition next year, we want them to get to know a little about first grade before they leave for the summer. Each kindergarten class will make a weekly visit to a first grade class for "*Buddy Reading*." The first graders will give their kindergarten "buddies" a tour of their classroom and then they will spend time reading their favorite books and/or their own writing to each other. The teachers and I believe this experience helps build excitement while easing the transition to first grade for our kindergarten students. The children enjoyed their first Buddy Reading session today!

Our first graders will visit West Side and Lloyd Harbor Schools next month for the very same reasons. They will ride a "big bus" to their new schools where they will have a tour and spend time in the second grade classrooms. Our first grade teachers help the children feel comfortable about moving on to second grade. They answer their questions about each of the schools and assure them that they are ready to "move up." The teachers acknowledge that the children may be sad that some of their friends will be attending a different school and reassure them that they will continue to have good friends in their new schools. Parents often help their children maintain "across town" friendships through play dates and of course, all of the children will be together again in seventh grade. Parents of current first graders will receive an invitation to attend an Orientation Meeting at Lloyd Harbor and West Side School on June 15<sup>th</sup> at 9:30 a.m.

While we think about the future, we are still very busy and focused on the present! The children are learning new things every day and using the skills they have developed this year in exciting ways. We look forward to celebrating their successes with you at upcoming events, such as classroom literacy celebrations. **Field Day** and **Moving Up Ceremony** dates and times are listed on the reverse side of this page in the **Dates to Remember** section. Detailed information about all of our events will be shared with you in the coming weeks.

Thank you to Mrs. Light, our Cultural Arts representative, for arranging to have author/illustrator, Lori Richmond visit our school yesterday. The children enjoyed hearing about how characters are created and books are made. Ms. Richmond led them through a process of creating their own character and setting, and encouraged them to keep imagining, drawing, and writing their own stories. We love for our students to have the opportunity to meet published authors. It's yet another way to build excitement about books and reading!

Have a wonderful weekend! Happy Mother's Day!  
Mrs. Herschlein

Wishing you the  
very best this  
Mother's Day!

### GPFA Updates

**Goosehill Plant Sale** Due to the weather forecast, the **Goosehill Plant Sale has been CANCELLED!**

**Box Tops!** Keep clipping and collecting those Boxtops. The class who collects the most will get an extra recess. Remember to send them in your child's backpack with their teacher's name on the envelope. The deadline is **Friday, May 19th**. Good luck!!

**First Grade Parents** Please send in a 4x6 baby photo of your first grader for Moving Up Day in June. Write your child's name and teacher on the back of the photo and send it in an envelope marked "Laura Newman" before **May 26th**. Moving-Up Day will be on June 19th during school hours—details to come soon. Thank you!

**Goosehill Yearbook** The Goosehill Yearbooks are on the way! Order forms were sent home earlier this week. Please send your order form and a check for \$30 payable to GPFA by **June 2nd**.

**2017-2018 School Supplies** We have again teamed up with A.Hartz Pack To School to offer you online ordering of school supply packets for the 2017-2018 school year! This hassle-free program saves you time and money and guarantees that your child will have all of the the teacher-approved school supplies needed for the new school year. To order your packet, visit <http://www.ahartzpacktoschool.com> and select your district, school and grade for the *next* school year. For those entering Kindergarten or First Grade be sure to use the link to purchase your GPFA dues when you order. Easy! Please place orders by **June 21st**.

**Volunteer Opportunities** We are so fortunate to have such a supportive school community and we'd like to thank all of you for being involved in the GPFA over the past year. We are already looking ahead to next year! There will be opportunities in the fall to sign up for committees or to be class parent, but there are other ways to get involved at Goosehill! If you are interested in any of the positions below for the next school year contact Meg Gallagher at [memcgee30@yahoo.com](mailto:memcgee30@yahoo.com) or Janine Mullen at [jmullen18@gmail.com](mailto:jmullen18@gmail.com).

- **Serve as a Committee Chair:** Committee chairs organize and coordinate events and activities at school throughout the year including Photo Day, School Supplies, Family Fun Night etc.
- **Be a CPC Rep:** The Central Parent Council's purpose is to coordinate and facilitate communication between the District school parent organizations and administration, staff, Board of Education and the community. Meetings are held once a month at which information is shared, selected topics are discussed and problems are identified for possible Board of Education and Administrative consideration. Meetings are open to all parents, however each school sends several representatives to ensure representation from all schools. There are no speaking requirements; your attendance is the only responsibility! Parents who have attended CPC meetings often say it's interesting to learn about District-wide programs and to hear more about what is going on at other schools in the district.
