

The Friday Notes

Celebrating 227 Years!
January 27, 2017

Principal's Corner

Our recent hot chocolate fundraiser was a success. All proceeds from this fundraiser went directly to the Long Island Veterans Home in Stony Brook. The Long Island State Veterans Home is an organization that provides skilled nursing care, adult day health care and short term rehabilitation to the 250,000 veterans who reside on Long Island. On Wednesday, we invited the executive director of the Long Island State Veterans Home to speak at morning assembly. Thank you to Fred Sganga for taking the time to meet with our student body. In our Light Sail Reading Challenge, 4th grade is still in the lead. They have read for a total of 14,464 minutes. Fifth grade is in second place with 10,729 minutes read and sixth grade is in 3rd place with a total of 3,908 minutes. As a school, West Side has read an amazing 29,101 minutes!! Our number one reader is still Clara Masata. Clara has read a total of 1,381 minutes – WOW!! Way to go, Clara! On Wednesday, students in 5th and 6th grade competed in our annual National Geography Bee. Congratulations to all of our finalists: James Tucker, Bryan Berg, Reid Walter, Luke Lynch, Lukas Sheridan, Michael Gallagher, Jonathan Aviles and Tyler Gray. Congratulations to our runner-up Bennett Vitagliano and to our school champion, Molly McHale who will move on to the next round of this national competition. Way to go, Molly! On Friday, our second graders took their annual field trip to the Cold Spring Harbor Whaling Museum. Our students participated in a scavenger hunt in the museum where they learned about the history of the Cold Spring Harbor whaling community. Finally, this week in Robotics, our 4th graders added sensors to their robots. They used the color sensor to program their robot to react in a certain way when it recognized a color of the students' choice.

Our next after school program will begin on February 6th. Please see the attached flyer for more information.

Dear Sixth Grade Parents:

On Tuesday, February 7, 2017, your sixth grade child will be studying the topics of **maturation** and **human growth and development**. For this particular component of our curriculum, the boys and girls will meet separately. The girls will meet with Ms. Parent and Ms. DeRosa. The boys will meet with Mr. Homer (Health Teacher at the Junior High) and Mr. Simon.

This unit of study is a continuation of our fifth grade program and will further explore the maturation process which includes the topics of growing up physically, emotionally and socially. During this unit, emotional maturity is defined, responsible behaviors and relationships are discussed, and the importance of setting personal and family goals is recognized.

Our health program, *The Great Body Shop*, as well as our district philosophy, encourages your child to turn to you for further information on the topics discussed by his or her teacher. It is important that your child know an adult is willing to discuss this material, and our in-school classes are a wonderful springboard for this dialogue to begin or continue at home.

Sincerely,

Ms. Parent, Health Teacher
Mr. Simon, Principal
The Sixth Grade Teachers

COLD SPRING HARBOR CENTRAL SCHOOL DISTRICT

(516) 692-7950 Health Office

Dear Parents and Students,

The cold and flu season is upon us and it is especially important to remind and show your children the importance of taking care of their bodies. We all must wash our hands thoroughly and often with soap and water. Suggest that they sing Happy Birthday twice while washing their hands. If they have a runny nose, are sneezing and/or coughing, remind them to use tissues, discard of the tissues promptly, cover their mouths with their elbow, keep their hands away from their faces and not share personal items like drinks, utensils or lip balm. If you have an open cut, washing it with soap and water and keeping it covered is the best protection.

As a reminder, children should stay home from school if:

- *Fever in the past 24 hours*
- *Vomiting in the past 24 hours*
- *Chills*
- *Strep Throat- must have been taking an antibiotic for at least 24 hours before returning to school*
- *Bad cold, with a very runny nose or bad cough, especially if it has kept the child awake at night*
- *Conjunctivitis (pink eye)- must have been receiving prescription eye drops for at least 24 hours before returning to school*

As always, proper nutrition, adequate rest and frequent hand washing will help keep them healthy.

Prevention is the best medicine.
