

The Friday Notes

Celebrating 227 Years!
June 9, 2017

Principal's Corner

Over the weekend, many members of our school community took part in the annual West Side Camp Out sponsored by the PTG. Thanks to the planning and efforts of Mrs. Monaco and our parent volunteers, this unique event continues to grow. On Tuesday, students received DVDs of the Talent Show. Thank you again to Mrs. Albers for her tireless work on this project. Our families will enjoy looking back on this experience for years to come. Tuesday night our 4th graders performed in their first formal concert for our parent community. We are looking forward to their next concert when they team up with their sixth grade peers next year. On Thursday, sixth graders took a trip to Quetzacoatl, a Mexican restaurant in Huntington. Students spent quality time with friends and tested their knowledge of the Spanish language in this environment. Our third graders also took a trip to the Vanderbilt Planetarium on Thursday. Thank you to our parents who joined them on this adventure into space. On Friday, our week concluded with Ellis Island Day. Thank you to Mrs. Shammah, and once again to our parent volunteers, who supported this event. Due to the overwhelming amount of help, fourth graders took a trip back in time to experience what many immigrants lived through during the waves of immigration around the turn of the century in the United States. What a boost to our social studies curriculum!

Principal for the Day

On Wednesday, Mr. Alex Fokas from class 3F, was our first ever Principal for the Day. Mr. Fokas began the day by announcing the class who won the most grit and kindness tickets for the month of May. Congratulations to Ms. Santoro's class! In the middle of the day, we met with Mr. Fenter, our District's superintendent, as well as assistant superintendents, Dr. Bernhard, Dr. Bellino, and Ms. Campbell. We met Mr. Margolies who is the head of buildings and grounds and we even ran into Ms. Massimo, principal of Lloyd Harbor School and Mr. Chiarello our K – 12 music director. After lunch we participated in a science lab with sixth graders and checked in on every classroom in the building. Mr. Fokas also helped me examine the master schedule for the 2017 – 2018 school year. To close the day, Mr. Fokas dismissed the entire building over our PA system. Thank you Mr. Fokas for a wonderful day!

4th Grade Ellis Island Reenactment

A true West Side tradition, the 4th grade participated in an Ellis Island Reenactment to culminate their study of the American Immigrant Experience. On Friday, June 9th, West Side School was transformed into a European Port of Departure, a Transatlantic Steamship, and the Ellis Island Processing Center. The students followed in the footsteps of immigrants as they were examined and processed. Inspectors determined if each immigrant would be detained, deported, or admitted into the United States. Thanks to all the 4th grade parents, grandparents, and relatives who volunteered to help make this experience such a memorable one. Thank you to Cat Bauer, Kristin Provisero, Jennifer Capozzo and Michelle Rampi for helping with set up and the luncheon.

Summer Garden Co-op

Email Suzi Berg to sign up to tend to our garden for a week. It's a perfect opportunity for us to teach our kids to eat what we grow and learn how to tend to a garden. We need families to care for the garden so our garden can thrive! Email Suzi suzi@seattlebergs.com

End of the Year Pizza Parties

PTG will sponsor an end of year pizza party for 6th graders on Monday, June 19th and for grades 2-5 on Tuesday, June 20th. We will provide gluten free pizzas for those with gluten allergies. Please bring in a bagged lunch if your child does not want pizza on the day it's being served for their grade.

Yearbook

The 2016/17 Yearbook is currently being printed and will be distributed to kids at school (to those who ordered it) mid-June. For the 2017/18 Yearbook, please email any pictures you might have to coteks@gmail.com for the following events which took place in May and June, 2017

- West Side Run
- Field Day
- Campout
- Ellis Island

West Side Kids Care

Thanks to all who donated used books for our book drive.

Buy Next Year's School Supplies NOW! DEADLINE is June 22nd!

Order your child's School Supplies for the upcoming school year! We have teamed up with A.Hartz Pack To School again to offer you online ordering of school supply packets for the 2017-2018 school year! This hassle-free program saves you time and money and guarantees that your child(ren) will have all the teacher-approved school supplies needed for the new school year. To order your packet(s), click on the link below to select your school district, school and grade(s) for next school year. It's that easy! Get your Orders in by June 22nd!

*****Be sure to buy your PTG dues when you order (on the left side of the page of every grade) must be added to the cart - You need to order 1 ptg dues per family, per school you have children attending for your order to be processed. If all of your children attend the same school then only one dues payment is required per family.

Seahawks Sports Camps

June 26-30 from 5-8pm (Week #1 - PM Session)

Boys Basketball, Volleyball and Wrestling

Come to our Seahawks Sports Camps this summer! We are offering three great programs for our PM Session. Learn how to take down an opponent in wrestling, spike your way to victory in volleyball or sink the buzzer beater in basketball. All camps are run by our varsity coaches and volunteer athletes to help improve your game.

Seahawks Summer Sports Camp is back in action!

The Seahawks Booster Club is proudly presenting our fourth year of Seahawks Sports Camp. We offer a wide-range of sports camps for your children to learn from our varsity coaches. Learn gameplay, strategies and skills to help take your game to the next level. We don't forget about having fun either with favorites like ice pops, water slides in Baseball, tie dye in Field Hockey and shooting for candy in Basketball.

Baseball	June 26 th -30 th from 9am-12pm
Boys Basketball	June 26 th -30 th from 5pm-8pm
Girls Basketball	July 10 th -14 th from 9am-12pm
Cheerleading	July 17 th -21 st from 9am-12pm
Crew	July 10 th -14 th from 9am-12pm
Fencing	July 10 th -14 th from 5pm-8pm
Field Hockey	July 17 th -21 st from 9am-12pm
Golf (Boys and Girls)	July 17 th -21 st from 9am-12pm
Gymnastics	June 26 th -30 th from 9am-12pm
Boys Lacrosse	July 17 th -21 st from 9am-12pm
Girls Lacrosse	June 26 th -30 th from 9am-12pm
Mini Seahawks (Kindergarten- 1 st grade)	July 17 th -21 st from 9am-12pm
Boys Soccer	July 10 th -14 th from 9am-12pm
Girls Soccer	Aug 14 th -18 th from 9am-12pm
Softball	June 26 th -30 th from 9am-12pm
Sports Sampler (2 nd -6 th Grade)	July 10 th -14 th from 4:30pm-7:30pm
Tennis (Boys and Girls)	July 10 th -14 th from 5pm-8pm

Science Enhancement Opportunities

Summer Science Programs

NASA - SPACE EXPLORERS (NASA)

Learn about the four forces of flight, the challenges of space travel, and participate in a rocket launch in this hands-on space exploration camp. (Children entering grades 3-6)

FLIGHT ACADEMY (FA)

Explore the aerodynamics of birds, kites and rockets! Build flying machines as you explore Newton's laws of motion. (Children entering grades 1-4)

SCIENCE IN MOTION (SIM)

Learn the science of engineering as we discover what machines and nature have in common. Build structures, discover how animals move, and use simple machines as you run a crazy obstacle course. (Children entering grades 1-4)

DETECTIVE ACADEMY (DA)

Step into the shoes of a detective as you explore the tools detectives use to uncover crimes! Learn about spy equipment and discover the technological tools of detection. (Children entering grades 2-6)

FORENSIC SCIENCE (FS)

Focus on the science of forensics in this hands-on look at crime scenes! Collect evidence, recreate a crime scene, and identify suspects as you learn the science of sleuthing. (Children entering grades 2-6)

CRAZY CHEMWORKS (CCW)

Get your goggles ready to handle real lab equipment and experiment with chemical changes. Explore the microscopic world of molecules as we discover states of matter! (Children entering grades 2-6)

BRIXOLOGY (BRIX)

Using LEGO® bricks children will build different engineering-themed projects every day. They will explore the mechanical, structural, aerospace, nautical, and bioengineering fields, and participate in collaborative engineering challenges to solve real world problems. Each day they will take home an educational toy to reinforce each concept. (Children entering grades 2-6)

JUNIOR ROBOTICS (JR)

This introduction to robotics explores basic circuitry, mechanical science, and robot building. Each camper works daily on a robot to bring home at the end of the week! (Children entering grades K-3)

ROBOT ENGINEERS (RE)

Discover the science of robots! Learn how different robots work and use their components to explore what is around them. Use your engineering skills to build a working robot to take home! (Children entering grades 3-6)

ROBOTS & REACTIONS (R&R)

Work with robots and create chemical reactions as we uncover the nuts and bolts of the universe. Each camper builds a working robot to take home! (Children entering grades 2-5)

ADVANCED ROBOTICS (AR)

Learn about how different robots operate. Put your robotic knowledge to the test! Use your skills to build your very own Robotic Arm to take home! (Children entering grades 3-6)
