

# The Friday Notes

Celebrating 227 Years!

September 9, 2016

## Principal's Corner

Welcome back, West Side! This week, our students and faculty once again reminded us all of what an incredible learning community we have in Laurel Hollow. As I walked the halls, it seemed as if school had been back in session for months. It was common to witness students who had the choice to work alone, in groups, or outside in the hall. The creation of word walls began and children shared experiences, negotiated with partners, created work spaces, and received tickets from staff members if they exhibited a growth mindset. West Siders problem-solved in small groups and our sixth graders collaborated with their peers as they solved the Toxic Popcorn Design Challenge. They also discussed how to plan for long-term assignments. Many of our learners wrote about powerful moments in their lives. As part of a classroom culture exercise, fourth graders took surveys to learn more about one another. Some created birthday banners and received their class job assignments. Our third graders were among the first to complete their classroom charters as their teachers worked to address the district's social emotional literacy program. Our second, fifth and sixth graders even created team charters. Second graders dug through their supply boxes and worked as a team to get organized for the year. They also participated in read alouds and made predictions with their classmates. After only four days, it feels as if they have been here forever. On Friday, our first week concluded with our Summer Reading Celebration. At 2:00, our students dispersed to different classrooms to work with a variety of teachers in the effort to build our school community and become experts in different topics. They had a blast as we celebrated their efforts to read informational texts. Thank you, Ms. Fraiberg, for your hard work to once again organize such a valuable event!

Finally, special thanks to Mrs. DeMarco and our PTG volunteers for handling the schools supply for our students. It is a tremendous undertaking, and we appreciate your time and effort!

## Thank you, Ms. Schaul!

For the last five years, I have had the pleasure of working with our school nurse, Carole Schaul. While her time at West Side dates back to before my arrival, I feel honored to have had the privilege of collaborating with her. During these years, I have witnessed the care and attention she gave to our students, their parents, and our faculty members. Always the ultimate professional, Ms. Schaul went above and beyond for every individual who walked the halls of West Side School.

Today marks Ms. Schaul's last official day at West Side. While it will take many of you by surprise to hear of her retirement, it surprises no one that Ms. Schaul was committed to coming in the first week of school to ensure our students transitioned smoothly to a new grade and to communicate their needs to their new teachers. This morning, our children were notified by their homeroom teachers and many stopped by to say thank you and tell her how much she will be missed. Next week Ms. Diana Marlow, who comes to us from the Huntington School District, will be introduced to our students. I know they are eager to welcome her to West Side; she is thrilled to meet all of them as well.

On behalf of the entire community, I want to thank Ms. Schaul for setting the standard of care at West Side. The staff is in the process of planning a celebration to honor her time here, and she will be returning on September 30<sup>th</sup>. Many of our parents will want to say a formal good-bye and time has been reserved at 11:30 on that date for anyone who would like to come in and thank Ms. Schaul personally. We wish Ms. Schaul good luck in her retirement and we look forward to her return at the end of the month.

## New York State Test Scores

Scores from last year's New York State assessments will be made available on the Parent Portal next Wednesday, September 14<sup>th</sup>.

## Back-to-School Night

Our annual Back-to-School Night is scheduled for Thursday, September 22<sup>nd</sup> and will begin at 7:00 PM for parents with a second, third, or fourth grader. Please read the attached schedule carefully.

## Pick-Up Notes

Please remember that all pick-up notes should be given to your child's teacher. We ask that you send in two (one for the teacher and one for the bus driver/pick-up circle). Pick-up notes should not be e-mailed to the main office as we cannot guarantee that your child's teacher will receive the update. Please call the main office if you have an emergency.

### **Flip Flops**

Please remind your child that flip flops are not to be worn to school. Thank you for your continued support in keeping our students safe.

### **West Side Spirit Wear**

Looking to show your West Side School spirit? Visit our spirit wear shop and design your own T-Shirts, hoodies etc. Go to: <http://www.mylocker.net>. Our first West Side Wednesday spirit day is scheduled for September 28<sup>th</sup>.

### **West Side Garden Co-op**

Our West Side organic garden provided us with lots of delicious veggies and herbs this summer. Thanks to the families who signed up to tend to the garden. When you visit West Side you will see some pictures circulating on the monitor of the children watering and tending to the garden. Thanks to Suzi Berg for keeping the garden tradition alive! Tomato Sauce day will be announced soon.

### **School Supplies**

Thank you to Jill DeMarco and the wonderful families who took a few hours of their day to organize and distribute the children's school supplies. Thank you to all the families who paid their PTG dues and to those few who have not, please send in a check made payable to WSS-PTG for \$25 and send in an envelope labeled PTG dues to the main office ASAP.

### **After School Program**

The West Side After School Program will begin on September 26<sup>th</sup> and the programs will run for 8 weeks. The forms will be sent home soon!

### **School Musical**

Attn: All 5<sup>th</sup> & 6<sup>th</sup> Grader Parents: The West Side School Theater Association is hoping your student will continue the "Tradition" with us for this year's play: Fiddler on the Roof!

Attached is the informational flyer with all the upcoming dates and times. The first meeting is next Tuesday Sept 13<sup>th</sup> right after school at 3:05pm. We would love to see you at the meeting, but it is not mandatory. If you cannot attend we will send you the syllabus from the meeting along with a copy of the registration form.

Any other questions please contact Ellis Adler anytime at: [516 551-2797](tel:5165512797) or [giveandlaugh@gmail.com](mailto:giveandlaugh@gmail.com)

Thanks and look forward to seeing your children in Fiddler!!

### **West Side Win Save-the-Date**

Friday, October 14<sup>th</sup> @ 7pm is our annual West Side Win Cocktail Party. Look out for the invitations being sent via your child's backpack next week. Raffle tickets will be sold at Back to School Night.

**Special  
Olympics  
New York**

# 4th Annual 5k Zombie Race & Fall Family Festival

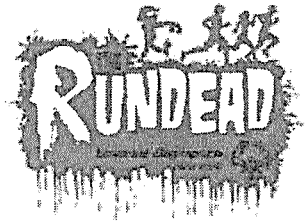

Saturday, October 22, 2016

Massapequa PAL Field

Registration begins at 8:30am / Race begins at 10:30am

## What is the 5k Zombie Race?

It is a 5k trail run with obstacles on this run... *zombies*. Each runner will start off with a flag belt and three flags. *These flags represent runner lifelines*. Zombies throughout the course will be attempting to take these one at a time. If a runner finishes the race with at least one flag, they've survived, *but* if zombies have taken all of a runner's flags, while the runner can still complete the race, they will not be eligible for awards.

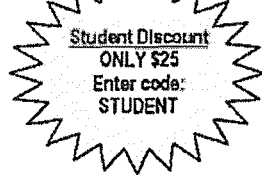

Escape the Virus! There are two runner divisions, "All You Can Eat," a non-competitive flight and "Fast Food," a competitive flight.

Join the Mob! Zombies can be "Hunters" who are allowed to chase runners for a short distance or "Crawlers" who can walk, stumble, shuffle or band together to strategically remove flags. Each zombie will be transformed in our Mob Tent.

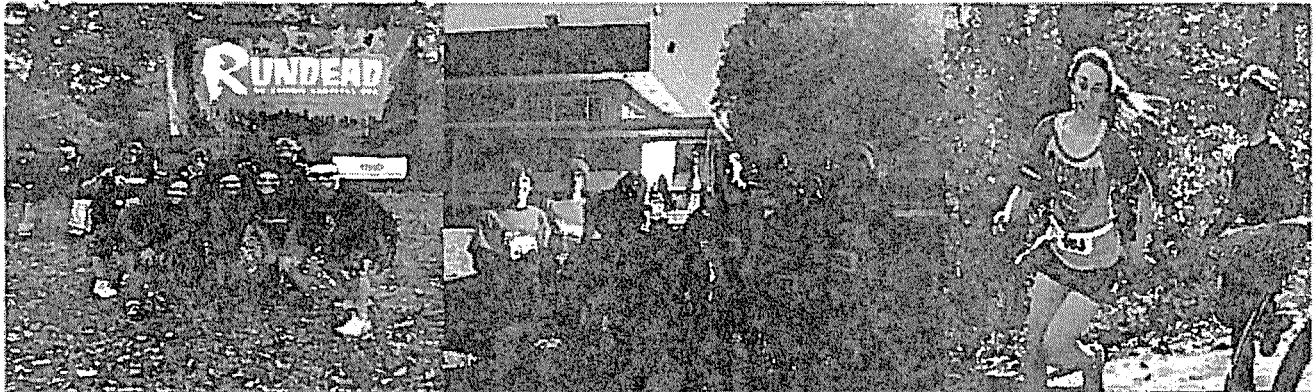

## How do I get started?

Log onto [www.therundeadd.org/longisland](http://www.therundeadd.org/longisland) and click the **Register Here** button.

## Did you know?

Special Olympics New York has **67,162 athletes** training and competing year-round in 22 Olympics-style sports. Our athletes and their families are **NEVER CHARGED** to participate! It costs \$400 to support training and competition for one athlete for one sports season.

## PAST WALKS

The 1<sup>st</sup> Annual Whit Whit Walk was planned in just a few short weeks and was a success. We wanted to celebrate Whitney's life as well as raise funds and awareness for Childhood Cancer. Over 200 friends and family walked, and together we raised more than \$40,000!

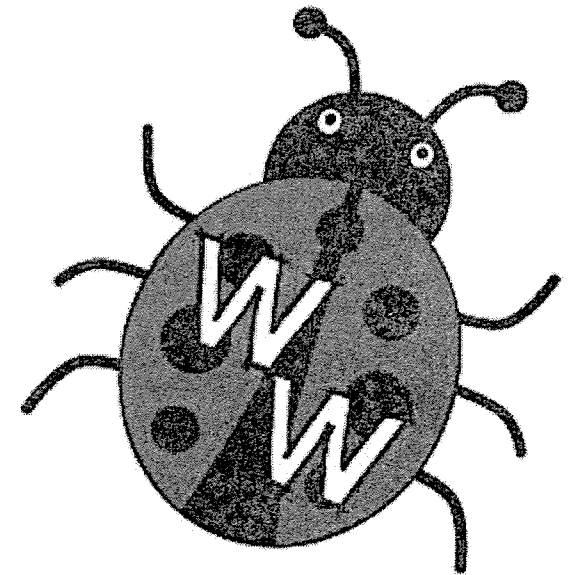

A year later, the 2<sup>nd</sup> Annual Whit Whit Walk was another great achievement raising more than \$50,000.

At the 3<sup>rd</sup> Annual Whit Whit Walk, we celebrated Leukemia survivor and friend, Colin Bowles, with 530 walkers and raised over \$82,000.

Thank you to our friends, family, community and sponsors for your support in helping to make this event so successful.

Since Whitney's diagnosis, we have raised over \$400,000 for Childhood Cancer research!

*100% of the proceeds go to the Whit  
Whit Fund at MSKCC to research  
Childhood Cancers*

## RESEARCH

With the generous money you have given, researchers have been able to make good progress in their proposed research to find new therapies against tumor cancers. They are using therapies that are currently FDA approved. Therefore, if they are able to identify a reduction of growth in tumors of laboratory models, they could potentially move a corresponding FDA approved drug into clinical trials in an efficient and rapid manner.

From their initial screen of tumor cell lines, they identified several candidates which demonstrated selective inhibition against tumors as compared to non-cancer cell lines. They then validated all of the "hits", with the expectation that only some of them would truly show activity. Those that showed activity against tumor cell lines were moved into mouse models to study the activity in animal xenografts. The mouse models are currently being tested.

You are making a difference! Thank you!
