Celebrating 227 Years!  
September 30, 2016

## Principal's Corner

What a week! On Monday our students enjoyed a treat during lunch as parents served tomato sauce and bread in celebration of another successful summer of our West Side Garden Co-op. Thank you to Mrs. Berg and all of our parent volunteers for helping out. In addition, our After School Program began with a huge turnout. Thank you to Mrs. Newman and Mrs. Dudek for organizing this experience for our students. West Siders arrived on Wednesday showing school spirit as students and teachers sported various West Side and Cold Spring Harbor spirit wear. However, on Thursday they dressed a bit more formally for Photo Day. Thank you to Mrs. Wright and our parent volunteers for another successful day which ended with a group photo of our sixth graders on the front steps. A number of these sixth graders had lunch with me this week. They shared goals for the school year and identified areas in which we can improve. Thank you for sharing! On Thursday our School Improvement Team met for the first time. While the team is still finalizing goals, it is clear that we will be looking to the community to help with our efforts to teach students the importance of grit and a growth mindset. Finally, thank you to all of the parents who came to West Side today to say thank you to Mrs. Schaul. The staff continued the celebration with a luncheon later in the day. Thank you again, Mrs. Schaul, for all of your years of service!

## Pick-Up Notes

Please remember that all pick-up notes should be given to your child's teacher. We ask that you send in two (one for the teacher and one for the bus driver/pick-up circle). Pick-up notes should not be e-mailed to the main office as we cannot guarantee that your child's teacher will receive the update. Please call the main office if you have an emergency.

## TOWNWIDE Operation E.D.I.T.H. Drill

1. Feel the door to check if it's HOT!  
If it's Not Hot open the door slowly, bracing it with your knees and shoulder. But be prepared to slam it shut quickly if there's smoke and fire on the other side.

2. If the door is blocked by smoke or fire, leave through a window or secondary emergency route.

3. Once out of the house go directly to your meeting place, such as a tree or mailbox on your front lawn.

### Knowing How To React In A Fire Could Save Your Life, Or The Lives of your Children

Coordinated through the efforts of  
the Town of Huntington Office of the  
Fire Marshal and in conjunction with  
your local Volunteer Fire Departments.

**OFFICE OF THE FIRE MARSHAL  
351-3138**

**"E.D.I.T.H." Stands For... "Exit Drill In The Home"**

## SMOKE DETECTORS

Most fatal residential fires occur while the occupants are asleep. Installing smoke detectors outside bedroom areas will provide the extra minutes of warning needed to escape. The most recent figures available from the National Fire Incident Reporting System indicates that the installation of a Smoke Detector will double your chance of survival during a fire.

## DEVELOPING THE PLAN

Members of the family should work together to draw a plan of each floor of your house where bedrooms are located.

Your plan should include:

- The location of Smoke Detectors.
- Two escape routes; one for normal and one for Emergency use.
- All doors, windows, stairways, fire escapes and adjacent buildings.
- A central meeting place outside your home.

If a window is designated as an Emergency Route, make sure the person who uses it is able to reach and unlock the window, remove the screen and / or the storm window, reach the ground safely.

Designate someone to call the fire department from a neighbor's house. Post a copy of your finished plan in a conspicuous place as a constant reminder.

## PRACTICE YOUR PLAN ON A MONTHLY BASIS AND REMEMBER THESE IMPORTANT HINTS:

- Sleeping with bedroom doors closed can add valuable minutes of protection against flame, smoke and toxic gases.
- If you have a telephone in your room, have the Fire Department's number on it or nearby.
- Keeping a whistle, horn, or other such audible signal near your bed may prove valuable in waking other members of your family who may not hear the smoke detector. If family members use a different signal you will know who is awake without opening doors.

**MAKE  
OPERATION E.D.I.T.H.  
A MEMBER OF YOUR FAMILY!**

## PUTTING THE PLAN INTO ACTION

If the smoke detector sounds or you smell smoke, wake your family with your signal. If you hear another signal answer with yours. Keep Calm. Roll out of bed and crawl to the door. Feel the door from bottom to top. If it is hot near the top do not open it. Proceed to your designated emergency exit.

If the top of the door is not hot, brace your foot and shoulder against it and open it carefully. If there is only light smoke, crawl to the normal exit. If the smoke is dense or the door is hot use the Emergency Exit. Report to the designated meeting place.

Notify the Fire Department from a neighbor's house. **DO NOT ALLOW ANYONE TO RE-ENTER THE BUILDING FOR ANY REASON.**
