Summer regents scores will be posted to the portal as they are submitted to the Counseling center from the various testing centers. Summer school grades will be posted on updated transcripts on September 2nd.

**NEW THIS YEAR FOR ALL FAMILIES** (Starting August 26<sup>th</sup>)- **online contact verification!** To be sure we have the latest contact information for your family, including emergency contacts, it is necessary for you to review the information we have in our system, and make any changes that are required online. Please pay particular attention to updating e-mail addresses and cellphone numbers **for all parents/guardians in the house**. This contact review page will come up automatically (twice a year) when you log into the portal. If no changes are required, simply click **Verify** at the bottom of the page. **You will not be able to access the portal (including schedule/placement information) until this is complete.** Note that this verification will only need to be done once per family, even if you have children in various district schools. As always, in between the verification periods, please contact your school's main office with any changes. You will also be able to view your child's **bus route** on the portal by clicking their ID number, then the Buses tab. Individual **bus stops** for Goosehill children will also be visible; stops for other buildings will be posted on our website in the Transportation Schedule (you'll receive an email when this is available).

Don't have a portal account? No problem! Just visit the [parent portal login page](#) and click Online Registration. Please have your child's ID number handy. Visit the [Parent Portal information page](#) on our website for more information.

Thank you

Have a relaxing remainder of the summer.
