# Connecting to Wi-Fi at home

Your Chromebook is preconfigured to automatically connect to Cold Spring Harbor's school Wi-Fi. If you would like to connect the Chromebook to your home Wi-Fi network, follow the following steps.

1. Click on your portrait in the bottom right of the screen:
<< Portrait Location

2. When the menu pops up, click on where it says "No network".	**3.** Select your home Wi-Fi, and put in your password if prompted.
