

# Art 8

Teacher: Mrs. McLaughlin

Room A-6

Section 5

Period 9

## **Objective:**

The goal of this class is to expand your creative ideas and technical skills using various tools in the classroom. We will practice the basic concepts of drawing, painting, sculpting, printmaking and collage expanding our world to a more conceptual approach to visual arts. Each lesson will include an art historical background as to where each concept originated. I am looking forward to experiencing each of your individual talents and conceptual minds.

Students are responsible for wearing smocks (old t-shirt or sweatshirt) as we will be using permanent markers, paints and inks.

## **Grading:**

Students will be graded by:

### **50% quality of the portfolio**

- Student understands concept and technique
- Student shows creativity and individuality

### **40% appreciation**

- Student shows interest and stays on task
- Student does homework assignments on time
- Student is respectful: to teacher and peers
- Student is appropriate with tools in classroom

### **10% attendance**
