

Sponsored by LI-CAN:
Long Island
Congregations, Associations,
and Neighborhoods

Are you concerned about the growing Opioid Crisis on Long Island?

Action Against Opioids

Wednesday, April 26 at 7:30 pm (Please arrive by 7:15 pm)

St. Anthony's High School Gym
275 Wolf Hill Rd., Melville

Do you wish there was something you can do?
There is.

BE IN THE ROOM WHERE IT HAPPENS.

High school students will talk about the reality of the opioid epidemic. We will launch a 6-month plan of action with specific assignments and deadlines for every group and institution participating. Everyone is hurt by this epidemic. Every person and group--students, parents, school faculty, citizens, congregations--has a role to play in the solution. **Come and find your role.**

Awareness isn't enough! It's time
for action and accountability!
