

GRADE EXPECTATION SHEET

Department: Mathematics

Year: 2009 - 2010

Teacher: Mrs. M. McLees

Subject: CS AP A

Welcome to Computer Science AP A!

SUPPLIES:

Textbook: *Big Java*

USB Thumb Drive: The computers have been known to shut down and lose information quite frequently.

Please make sure that you are saving your work several times during a period. I am NOT responsible for work that has suddenly been “erased” from your computer. Work is due on the date given- NO EXCEPTIONS!!

Grading Policy:

1. TESTS/QUIZZES (let's call them “QUESTS”): 45%

Tests/Quizzes are announced with adequate warning. If a student is absent for a test, the *student* is responsible to make an appointment for a *make-up test*. If the student fails to schedule this appointment or forgets to show up for the make-up test, the test grade will be averaged as a zero.

If a student signs in or out of school legally the day of an exam, it is the student's responsibility to take the exam on a *free period* **THAT DAY!!** If a student fails to do so, he/she will receive a zero for the exam.

2. PROJECTS: 45%

This course is project intensive. The expectations are as followed: (*see rubric*)

- a) Projects are handed in ***on time***. 10 Points will be deducted for each day the assignment is late.
- b) Projects will have a cover page with your: name, due date, date handed in, brief description of project

3. HOMEWORK/CLASSWORK: 10%

Come to class prepared and use your class time for learning the subject.

Be respectful to others at all times

Students may discuss class related information in low level voices. The noise level should never rise to the point that it is hard to hear.

Extra-Help Hours: After School –by appointment only

During My Free Periods-Periods 3, 7, and 8 (never a need for an appointment):

If a student is not available during regularly scheduled extra-help, time can be made by simply making an appointment with the teacher. Students should come prepared with notes and questions.

To the Parents: Please feel free to phone me at any time to discuss your child's progress. I can be reached at

Math Office: (631) 367 – 6837

Voicemail: (631) 367 - 6932

Or via e-mail: mmclees@csh.k12.ny.us

Please refer to my e-board (you can find a link to this site on our school website:

www.csh.k12.ny.us) daily. It is always up to date with project due dates and future test/quiz dates. You can also e-mail me directly from this site if you have any questions.
