SEAHAWKS BOOSTER CLUB

April 1, 2014

Dear Senior Student Athlete:

Congratulations on your upcoming graduation. As you are preparing for college, one of the many things you may have considered is what you can do to help lighten the financial burden of your impending tuition, room and board expenses. If you are interested in helping to pay for college, read on.

The Seahawks Booster Club invites you to be an applicant for our annual Seahawks Scholarships. This is an excellent opportunity for you to lighten the financial burden of college expenses upon yourself and your parents.. All interested senior student-athletes have the opportunity to apply. A $2,000 scholarship will be awarded to an outstanding senior girl and an outstanding senior boy graduating from Cold Spring Harbor High School. The selections will be based upon attributes consistent with the mission of the Seahawks Booster Club including Leadership, Character, Athletic Contribution, and Team Commitment. Academics and need will also be considered. The student must have participated in high school athletics, but must not be receiving a full scholarship for college or university athletics. From the applications received, finalists of each gender will be chosen for interviews which will be conducted in mid-May. The scholarship recipients will be notified at the Varsity Awards Dinners.

An application for this scholarship is enclosed herewith and additional applications are available at the office of the Director of Athletics and Physical Education in the Field House. Should you wish to apply, please read the instructions carefully, fill out the form in its entirety and forward it with the required information and essay to the office of the Director of Athletics and Physical Education. **Applications must be completed and postdated by 5/1/14 or they will not be considered**. Should you be interested, we look forward to your participation.
