

A.P. World History II Summer Reading Assignment:

History of the World in 6 Glasses by Tom Standage

ISBN 10: 0-8027-1552-4 ISBN 13: 978-0-8027-1552-4

This book provides an excellent & thought-provoking look at world history through the humble beverage. What we drink is something that most people take for granted, not giving their potables a second thought. Yet, what we drink, the clothes we wear, the technology we use, and the religion or outlook we practice all reflect interrelationships in history.

The completeness, correctness, and neatness of this assignment are paramount. Please keep in mind that this assignment should be completed entirely on your own; you may not work collectively on this assignment. **Your paper should be TYPED,**
