phone extension: 6854

**Course Description:**

The French 4/5 class is intended for students who wish to develop proficiency and integrate their language skills, using authentic materials and sources. The course content will reflect a wide variety of academic and cultural topics to elicit speaking in the target language. Materials will include authentic resources. Students will be encouraged to speak only in the target language and work individually as well as in groups.

A journal is required.

**Grades are derived by the following:**

25% Speaking

25% Projects ( debates, skits, power points, videos, etc)

25% Tests & Quizzes ( written, oral, grammar, listening)

15% Journal

10% Homework

Final Exam: Students will be responsible for a final project for a final exam grade.
