SURF TECH

Students in 9th or 10th grade can learn about careers in technical and vocational fields for free by attending Surf Tech at the Wilson Tech in Dix Hills or Northport. Classes meet on Wednesdays from 2:50 until 4:15 and there are 6-week sessions in the fall, spring and summer each year. Transportation is provided from Cold Spring Harbor High School to the program and then back to your home for fall and spring only. See the Wilson Tech page of this booklet or visit the Surf Tech website at www.wilsontech.org/surftech for more information.
