July, 2011

Dear Parent and Junior High Student:

This summer, the junior high will be involved in a “beautification” of the junior high wing. This project will make the junior high wing of the building more student friendly. A major part of the project will involve students painting murals on the wall of the junior high wing and outside plantings. We have set aside Monday, August 22<sup>nd</sup> and Tuesday, August 23<sup>rd</sup> to do this project.

We are inviting the new seventh and eighth grade classes to participate in this program. If you would like to participate, please send your name and grade to [romalone@csk.k12.ny.us](mailto:romalone@csk.k12.ny.us) by Monday, August 15<sup>th</sup>. In the subject section of the email, please type “beautification project 2011”.

On the above noted work days, we will provide water and food for students that participate. We will start at 9:00 a.m. and finish at 2:00 p.m. You should wear old clothes in case you get them dirty.

Hope to see you over the summer.

Sincerely,

Joseph Monastero  
Assistant Principal
