

Lloyd Harbor School

COLD SPRING HARBOR CENTRAL SCHOOL DISTRICT
7 School Lane • Huntington, New York 11743

Valerie R. Massimo, Principal

(631) 367-8800 Main Office

May 20, 2009

Dear Parents,

As always, the Lloyd Harbor School works to keep a clean, healthy, positive school environment. I am writing to remind you of our continued efforts to ensure that the building is kept clean and safe for our children.

Our custodial staff will be continuing our "cleaning for health" practices by sanitizing every desk. They are sanitizing doorknobs, water fountains, restroom fixtures, and other building equipment multiple times per day. We have installed additional hand-sanitizer pumps. Supplies, such as tissues, wipes, and anti-bacterial cleansers are readily available for students and staff. Our transportation provider (Huntington Coach) has also increased their cleaning of our buses.

Children are being reminded to wash their hands often, including before they eat and after recess. Classroom teachers have spoken with students regarding the importance of good hygienic practices. As partners in our effort to teach hygiene skills to our youngsters, we know that you are also having such discussions at home. We understand that over the holiday weekend there will be many social gatherings in the community. Please remind your children not to share food, drink, and personal items.

I am confident that we are taking the necessary steps to promote good health and limit the spread of germs. We appreciate families reinforcing healthy practices at home as well. As always, please call if you have any questions.

Sincerely,

Valerie R. Massimo
Principal
