

Lloyd Harbor School 2015 Summer Reading Celebration

Dear Lloyd Harbor School Families,

Lloyd Harbor School is a community of readers and writers. We anticipate that our students will regularly read books that are a good personal fit, continue to enjoy favorite authors, as well as find new authors and books to inspire and entertain them throughout the summer months.

As part of our Summer Connections Program in literacy, ***we are asking students to continue reading books of their own choosing*** over the summer vacation. When they return in September, classes will be conducting book discussions with their teachers and fellow classmates about the books that were most meaningful to them. **Book review forms are included in the Summer Connections folder to get their thinking started!** The completed reviews may be dropped off at our school library in the fall. They will then be entered into our library catalog for all to enjoy.

For your convenience, reading suggestions can be found within the Summer Connections folder and on the District website at www.csh.k12.ny.us under *Lloyd Harbor/Library Media Center/Suggested Reading List*. We are looking forward to our celebration of summer reading, which allows us to stay connected throughout the summer and helps bring us back as a school community in September.

Happy Summer Reading!

-LHS Faculty and Staff
