

Dear Goosehill Families,

The first two weeks of school have been terrific for the children! They are working, playing, and learning so much already. In spite of a couple of late buses, morning arrival has gone very smoothly. The children enter the building happy and smiling, ready for each new day. Thank you for ensuring that they get enough sleep, have a nutritious snack, and some time to unwind and just *play* when they get home from school. Play, adequate rest, and nutritious snacks are just what children need to be able to develop academically and socially.

Thank you to our GPFA for a fantastic **Welcome Back Picnic** last Friday! It was wonderful for us all to be together on such a beautiful afternoon. It was also nice to see so many of you at the **GPFA Welcome Breakfast** this week. Please try to attend our next meeting on October 11th.

Each week you will receive a copy of these Weekly Notes via email to keep you informed about school procedures, events, and to help you support your child's learning. In addition to notes from the school, there is a section filled with information from the GPFA and a list of **attachments** for you to print at home. The attachments are flyers from our school and community organizations about events, memberships, registrations for programs, etc. (scroll to the bottom of this email)

The teachers, staff, and I are enjoying your children every day! Please don't hesitate to call if you have any questions or ideas to share.

Enjoy the weekend!

Warm regards,

Lynn Herschlein
