

Cold Spring Harbor Central School District  
Cold Spring Harbor, New York 11724

May 2017

Dear Parent/Guardian:

This letter is to inform you of your child's requirements for the 2017-18 school year.

- Parents of students entering Kindergarten must provide a completed immunization record, physical exam and dental form.
- A physical exam and dental form is also required for grades 2, 4, 7, and 10.
- Immunization requirements by grade are listed on the attached page.
- Required vaccines must be received before the first day of school. The date of your child's physical exam is not relevant in this matter; vaccines may be given at any time. There are no exceptions to these New York State regulations.
- As per the NY State Department of Health, the school district may not permit students to attend school for more than 14 days without being in compliance with the Public Health Law.
- We thank you in advance for your cooperation and look forward to a great new year.

Sincerely,

D. Marlow, R.N.  
West Side School Nurse
