The 2013 National Association for Music Education All- Eastern Honors Ensembles is proud to welcome Cold Spring Harbor Senior Alec Maire on Cello to its Orchestra. With assistance from his High School Orchestra teacher Mr. Tim Jenks, Alec will prepare remarkably challenging music that will be performed under the leadership of prominent conductors in this biennial event.

Alec will spend three days of intense rehearsals leading up to the performance on April 7, 2013. The selection process for this honor is determined by student's state scores during their Junior and Senior year of High School. Each state in the Eastern Division compiles ranked lists of students to be considered for recommendation. Each year, New York State School Music Association has over 3,000 students audition for All-State groups and a small percentage is selected. It is from these All- State lists that the All-Eastern Honors groups are chosen.
