'PUTTING THE JOY BACK INTO PARENTING OUR ADOLESCENTS'

The media often focuses on the negative behaviors of teens and the exasperation of their parents. This workshop will instead highlight this wondrous age group as a **fine work in progress** and restore the **JOY** to this special relationship. **Join us at our next CFA meeting on Tuesday, January 13 at noon, when we welcome Jane Golub, RN and educator.** Mrs. Golub is known throughout Long Island for the workshops she conducts for parents, educators, administrators and students that focus on social and emotional skill development.

A NOTE OF THANKS FROM NOREEN CAMBRIA, DIRECTOR OF GUIDANCE

Dear Cold Spring Harbor Parents,

I wish to thank all of you for the gracious outpouring of kind words, gifts and warm wishes on my retirement as Director of Guidance at Cold Spring Harbor. I have enjoyed getting to know you and collaborating with counselors, teachers and administrators to serve your families. This quote from Annie feels just right ~ “How lucky I am to have had something that makes saying goodbye so hard.”

Sincerely,

Noreen Cambria
