SCHOOL NEWS

ATTENTION WINTER ATHLETES: Winter sports for the Jr. High start on Wednesday, November 6, 2013. For the High School, all sports start on Monday, November 18, 2013. Participants must bring a completed Coaches Authorization Card to the Health Office and must have a current physical on file. Cards can be obtained in the Main Office. For those students needing a physical, the school doctor will be in the Health Office on Friday, November 1, 2013 at 7:45 am. Students needing a physical must report to the Health Office PROMPTLY at 7:45 am. If you have any questions, see Ms. Pendel or call (631) 367-6904.

FROM THE HEALTH OFFICE: In order to keep our students as healthy and safe as possible, we would like all parents to stress to their children the importance of good hygiene. Encourage them to wash their hands often and to cover their mouth with the crook of their elbow when they cough. Send them to school with bottled water and/or drinks and tell them not to share their drinks with their friends.

Most important of all, if your child is sick, keep him/her home. If your child tells you that he/she is not feeling well, please take your child's temperature. If your child has a temperature of 100° or above, he/she must stay home until they are fever free without medication for 24 hours. Hopefully, with your help we can all have a safe and healthy school year.

Cold Spring Harbor JR./SR. High School
Office of the Director of Health, Physical Education and Athletics

Comments from the Athletic Director:

The conclusion of the Fall Sports Season is coming to an end. The season was an overall success. Our Junior High School Sports teams are doing exceptionally well. All teams have a winning record and the athletes have demonstrated hard work and commitment. The future is looking bright for athletics with these athletes and dedicated coaches on staff. Our High School sports have experienced success as well. Our Boys Soccer, Girls Soccer and Field Hockey teams qualified for the playoffs. Boys Golf will compete in their County Tournament in the spring. The team did win its 8th consecutive conference championship this year. Our Crew team has been having a very good fall season as well. In all Regattas' both the boys and girls have been extremely competitive. Crew was invited to a prestigious regatta, Head of the Charles. The team did very well against excellent competition. Our girls swim team is competing in the Divisional Friday November 1st. The team exceeded expectations with a 5-3-1 record. Some of our other sports that have a dual component of team and individual performances have had similar success. More about Fall Sports in a complete wrap up in the December issue of Ripples.

The Crew coaches hosted an event at Eagle Dock open to the parents of the athletes. It was a great morning for all. The parents had the opportunity to be on the water and watch their son's and daughter's row. Watching up close was evidence of the rigorous work it takes to be a rower on Crew. It requires, teamwork, stamina, high level of physical fitness, and intelligence. Our CSH athletes displayed all these attributes. Before the morning was over the parents had the opportunity to row themselves with instruction from the team members.

Individual Highlights:

Girls Tennis:

- Daniella Rizos, Victoria Rizos, Jaclyn Albers, and Caroline Faria competed in the Nassau County Championships for tennis.
- Jaclyn Albers and Caroline Faria earned All County honors.

Cross Country:

- Daniela LoCastro won the Nassau County Class 3 Championship in Cross Country. She will be competing in the State Qualifiers in November.

Diving:

- Emma Katovitz and Kirsten Morgan qualified and are competing in the Divisional Diving Championships.

Boys Golf:

- Chris Gabrielle had another outstanding season. He is a 6 year starter and is undefeated in his career individually. He is a 3 time All County player and has been selected to the All State team the past 2 years.
