REMEMBER TO RENEW YOUR CFA MEMBERSHIP FOR THE 2014-2015 SCHOOL YEAR!

Welcome Back! Please join us at the first CFA meeting of the school year on Tuesday, September 9 at noon in the Performing Arts Center. In an effort to have an even more successful CFA, we are encouraging all our members not only to get involved but to help spread the word and encourage your friends to become CFA members and attend our monthly meetings. Our membership is only at about 50% of the families....if each of you can encourage just one friend to join, we can hit close to 100% membership!!! Think of all that we can do and the impact we can make, for our children and our school! Please visit our website at www.cshcfa.com for important dates and back to school news.

FALL DRAMA CLUB

SCHOOL NEWS

•ATTENTION ATHLETES: All athletes are required to have a current physical on file in order to participate in sports. The school doctor will be in the Health Office on Mon., Sept. 8th at 7:45 AM. The physical will be valid for the entire 2014-2015 school year, including the summer training programs. All students are encouraged to attend. If you have any questions, please see Ms. Pendel or call 631-367-6904.

•FROM THE HEALTH OFFICE: In order to keep our students as healthy and safe as possible, we would like all parents to stress to their children the importance of good hygiene. Encourage them to wash their hands often and to cover their mouth with the crook of their elbow when they cough. Send them to school with bottled water and/or drinks and tell them not to share their drinks with their friends. **Most important of all**, if your child is sick, keep him/her home. If your child tells you that he/she is not feeling well, please take your child's temperature. If your child has a temperature of 100° or above, he/she must stay home until they are fever free without medication for 24 hours. Hopefully, with your help we can all have a safe and healthy school year.
