**Staff:** Kurt Simon, Michelle Byrne, Jane DeRosa and Linda Gerver

**Parents:** Susan Goldstein, Dana Lynch, Lorena Munyak and Lauren Slaven

**Goal:** To provide our graduating 6<sup>th</sup> graders with an opportunity to reflect and celebrate their growth as learners during student-led reflections. In the spring, they will be provided with a chance to speak about specific projects and assignments they have completed over their careers. Students will have the opportunity to present to their parents and other teachers in the school.
