

Cold Spring Harbor Schools
Foreign Language in the Elementary School

December 10, 2012

Queridos padres:

We are writing to let you know that this year in sixth grade we will be communicating **your child's progress in Spanish** (also known as FLES: Foreign Language in the Elementary School) through our **school report card**.

Students will be receiving individual comments (an overall letter grade will not be given). The children have been working very hard and we are all very proud of the work that we are doing in FLES class. Having comments added to the report card for FLES allows us to formally acknowledge these efforts and strengthen our connection with you at home.

We hope that you find this addition to our report card helpful. If you have any questions, please do not hesitate to contact us.

Thank you for your continued support and for the opportunity to work with your children.

Atentamente,

Señora Tassani
