BOARD OF EDUCATION

The next regular Board of Education meeting will be held on Tuesday, March 13th at 8PM at the DO.

PLEDGE OF ALLEGIANCE

Following the Pledge of Allegiance each morning, a patriotic song is performed by Alexa-Leigh Greco, from Mr. O'Rourke's class.

STUDENT CELL PHONES

Just a reminder – children are not permitted to use cell phones during the day. If you need to send a message to your child, please call the main office.

CHANGE OF TRANSPORTATION

If you wish to change your child's transportation after the day has started, **you must call the office** and then send a fax or e-mail.

FROM THE NURSE

All **third graders** are required to submit a recent health appraisal and dental certificate prior to entering fourth grade. All **fifth graders** are required to have the Tdap booster prior to entering sixth grade. All required paperwork must be brought to the health office. Students who are medically excused from physical activity are not permitted to participate in physical education and recess until a doctor's clearance is submitted. If a child is absent from school due to illness, he/she is not permitted to attend any after-school activity.

FROM THE LHS/PTG

Please visit our website, lhsptg.org

GoodSearch/GoodShop/GoodDining

Attention Mac users! Bookmark GoodSearch right onto your Bookmark's Bar! Before you look up anything, click on GoodSearch first and use the browser. *Yahoo* is the search engine. One extra click on your part automatically sends donations to our school! Please go to the LHS*PTG Website at lhsptg.org and click on the word GoodSearch. E-mail RandiSolis@me.com for additional help.

The Food Pantry

As you go food shopping, please consider supporting the food pantry. Every day the Tri-CYA serves a healthy after school snack for up to 60 children. Granola bars and microwave popcorn are especially popular. All donations can be brought to our bins which are now located right outside the cafeteria. Thank you for your support!

Leadership Listens

Thank you to Mrs. Massimo and Mr. Gray for spending over an hour with parents listening and responding, using topics parents submitted to the PTG for discussion. We learned to communicate with our teachers first about any questions, concerns, and/or issues. We learned that as parents, we should not be surprised by what we see on our children's report cards. Be in the know about tests and their progress on a daily basis and communicate with your teacher if you are unaware. We learned how much the third graders love the *Words Their Way* program! We learned about placement, small group instruction, and some very special things the teachers and school have done for our children. Please come to the next *Leadership Listens*! And please submit topics you would like to discuss to Wendi DeSchutter, President of LHS*PTG.

Sixth Grade Yearbook

Orders are due TODAY, Friday, March 2nd. To view order form, please visit the PTG website at lhsptg.org. The order form link is on the Home page and the Flyers page.

LHS*PTG Meeting

Please join us on Thursday, March 8th, at 9:15AM for our next LHS*PTG Meeting. We will host a combined PTG/SEPTA meeting. The Bully Prevention Center will lead a workshop on Bullying: What Parents Need to Know. Please bring a mug for coffee. You might win a prize!

FOCUS

Join FOCUS for another workshop with Kirk Martin of Celebrate Calm, Friday, March 9th, from 10:00 am - 12:00PM at the CSH Performing Arts Center. Are You at your wit's end? Want to stop yelling and power struggles? Do you want your child to take responsibility for his assignments, chores and attitude? We promise you will laugh and leave with a dozen practical strategies that really work. Come see Kirk Martin and his teenage son, Casey. The Workshop is free and there is no need to register. Bring your family and friends. Visit www.CelebrateCalm.com to learn more about Kirk Martin.

3rd Grade Game Night

Cold Spring Harbor High School Is Presenting:

**Enjoy an entertaining, humorous and
informative program!**

*Spend an evening with recruitment guru **Jack Renkens** as he
explodes the **myths** and presents the **realities** of college recruiting!*

Myth #1

The time to gear up your recruiting effort is late in the junior year.

Reality

The best time to start is *freshman* year! (It's true!)

Myth #2

Only the top athletes can expect to get opportunities.

Reality

There are great schools *all over the country* looking for
good athletes, good students and good kids *right now*!

***This should be mandatory for every parent, student-
athlete and coach! Don't miss it!***

MEDIA ALERT

National Recruiting Expert to Address Parents and Athletes at Cold Spring Harbor High School

WHAT: Student-athletes at Cold Spring Harbor High School and their parents will get a strong dose of reality about the world of college recruiting from national keynote speaker Jack Renkens. In an eye-opening presentation, Renkens will share with the audience the lessons he's learned during many years as a high school and college coach, athletic director and parent of a high school athlete. He founded Recruiting Realities for the express purpose of debunking the myths and presenting the facts about athletic recruiting for student-athletes, their families, coaches and school counselors.

WHO: Jack's highly sought after program has been featured at thousands of schools across the United States, on numerous television programs and at sports camps from coast to coast. In addition, he is a weekly contributor to several major newspapers and magazines. His message about collegiate athletic recruiting is simple: "It's a game ... Know the rules."

WHY: High School student-athletes serious about continuing to play sports in college can never start too early, nor get too much help. However, most students don't know the recruiting game, NCAA rules or how to get matched with the best college for them. Jack will clarify recruiting myths and provide tips to parents and students serious about taking their high school athletics to the next level.

WHERE/WHEN: Cold Spring Harbor High School PAC
82 Turkey Ln.
Cold Spring Harbor, NY 11724
Wednesday, March 14th at 7:30 p.m.

Summer Camp Academy 2012 @ SUNY Farmingdale

Returning after five successful summers is the Applied Science, Computer and Technology Summer Camp is offered through the School of Engineering Technologies. The program, which starts in July, mixes fun with adventure and provides ***middle school and high school*** students with hands-on experiences, group activities, peer competition and extracurricular activities. By signing up for either the entire five-week session or individual sessions, students can build robots and computers and models of bridges, airplanes, homes, cars and airports. They can study computer simulation as it applies to careers in engineering, architecture, aviation, manufacturing and transportation. Sessions will be offered on solar energy and medical engineering. ***Students entering their senior year*** of high school in the fall can participate in science and technology research projects in solar energy, electronics manufacturing, fuel cells, robotics and automation.

In addition, the one-week Renewable Energy Session, sponsored by the KeySpan Foundation Institute will be offered free of charge. Middle school and high school students will study one or more issues relating to hydrogen fuel cells, solar energy applications, materials and processes used to build and test fuel cells, production and storage of hydrogen, fuel cell applications in the automotive industry, and zero energy demonstration houses. For more information, contact Ms. Prema, School of Engineering Technologies, at 631-420-2000.
