Camp Coleman Trip (all sixth graders) - June 12
Unity Dance *New Date* - June 16

BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, May 13th** at 8pm at the DO.

DRIVING CAUTION

When driving on the school grounds, be mindful of our traffic patterns & be sure to proceed with caution.

SELECT CHORUS

The rehearsal schedule is as follows: Fridays, April 25, May 2nd and May 9th until 3:45. Pick-up at the back circle.

CONCERT DATE: THURSDAY, MAY 15TH 7PM

HARRY CHAPIN PRACTICE-A-THON - Thank you to all our young musicians for their time and talent. You practiced for a total of 11,112 minutes! FANTASTIC It is now time to hand in the sponsors checks to Ms Visceglie.

Please have the checks made out to **Long Island Cares**. Thanks again.

ABSENCES

Your child's absence is being recorded as an unknown and unexcused absence if you do not make a phone call to the nurse's office. Although an absence note is still required, it is not sufficient. The phone call must be made.

EARLY PICK-UP

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

MORNING ACTIVITIES DROP-OFFS

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

AFTERNOON PICK-UP

For safety reasons, we ask that all children being picked up in the back circle wait in line until picked up. Children are not allowed to cross over the parking lot.

AFTERNOON ACTIVITIES - DISMISSAL

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

AFTERNOON BUILDING ACCESS

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.

FROM THE LHS/PTG

6th Graders - Fishing

Ahoy 6th Graders! Please join us on Saturday, May 3rd for an afternoon of fishing aboard the James Joseph II. Please arrive at the Huntington Town Dock at 3:00pm. We will be returning at 6:30pm. Pizza and snacks will be provided. We do need parent chaperones for this event. Please email Kelly DeGennaro at kellydeg@optonline.net or Ginette Reynolds at ginette48@me.com if you are able to attend. A flyer has gone home in the children's backpacks. We will need the permission forms back ASAP. There will be no cost for our final 6th Grade Activity.

Kick Off Party

The End of Year Kick-Off Party for the Philadelphia trip is on June 19th for FOURTH GRADERS from 5:30pm-7:30pm. Pizza, dessert and much more will be served! This is a fun event to lead the children into the Philadelphia trip the following day. This event will be sponsored by the LHS*PTG. IT IS STRONGLY ADVISED THAT EVERYONE RIDE THE BUS TO PHILADELPHIA.

Shed the Meds

Shed the Meds is this Saturday, April 26th between the hours of 11-1pm. This is an initiative sponsored by the Suffolk County Sheriff's Department. Tomorrow, Saturday, you can take your old/expired or any unwanted medications to the District Office where Police Officers will be on hand to collect them for safe disposal.

Earth Week

The LHS*PTG would like to say a huge Thank You to Donna Moran, the Earth Week committee members and the parent volunteers for all their hard work on Earth Week which has been a huge success. Please check out the students' art over the arbor in the Peace Garden using old plastic water bottles stuffed with individual pledges to Reduce, Reuse and Recycle.

Staff Appreciation Lunch

Staff Appreciation Lunch at LHS is coming up on Tuesday, May 6th. Please look for the eblasts that are being sent out and click on the link to donate food. We appreciate your support for this fantastic event. Questions; contact Alison Faranello at alifara@optonline.net.

New Large Umbrella

When you are next on the fields at LHS take a look at the playground area. There is a new large umbrella that is now a permanent fixture to provide shade to those who want it in the warmer months. This was paid for by the LHS*PTG and we hope you will agree that it makes a great addition to the play area.

Item of the Week

Stylish L.L. Bean LHS Tote bag for \$50 just in time for Spring/Summer; You can still order yours. Simply email Joely at joelyhethers@optonline.net. All checks payable to LHSPTG.

DNA. *Every living thing has it. It helps us understand our shared history. And, what we are learning today about DNA is shaping the future of our world from healthcare to agriculture, the environment and even the economy.*

National DNA Day Scavenger Hunt in Cold Spring Harbor Village: *An afternoon of fun for elementary school children and their families!*

**April 26, 2014
12:00 – 4:00 pm**

Take your kids and grandkids on a scavenger hunt to discover the rich history of Cold Spring Harbor Village and its special connection to DNA. The hunt will guide you through village landmarks including Cold Spring Harbor Laboratory's **DNA Learning Center (DNALC)**, **Whaling Museum**, **Firehouse Museum**, and **The Cold Spring Harbor Library and Environmental Center**. In addition to hands-on activities at these locations, clues will be hidden around the village.

The DNA Day Scavenger Hunt starts at the DNA Learning Center (334 Main Street) where you may pick up your map and questions – and take part in your first hands-on activity and ends at the Cold Spring Harbor Library (95 Harbor Road). Along the way, stop, shop and snack at the stores throughout the village. Parking is available along Main Street, in the parking lot in Cold Spring Harbor Village and at the public library.

DNA Day is celebrated across the country, with educational events sponsored by the National Human Genome Research Institute (NHGRI), part of the National Institutes of Health. The day commemorates the completion of the Human Genome Project in April 2003 and the discovery of DNA's double helix in 1953 – events closely tied to the world-famous biomedical research laboratory in our backyard, Cold Spring Harbor Laboratory.

For information on other ways to celebrate National DNA Day visit <http://www.genome.gov/10506367>. The DNALC also has great resources for young DNA sleuths at www.dnalc.org.

This event is free to the public.

For more information on the National DNA Day Scavenger Hunt visit www.cshl.edu/events or call the Cold Spring Harbor Laboratory Department of Public Affairs at 516 367 8455.

Cold
Spring
Harbor
Laboratory

DNA Learning Center

Preparing students and families to thrive in the gene age

Cold Spring Harbor Laboratory's DNA Learning Center (DNALC) is the world's first science center devoted entirely to genetics education. The DNALC provides unique hands-on laboratory learning experiences to over 30,000 middle and high school students each year and trains teachers to enhance science curriculum. In total, nearly 500,000 students have been taught through DNALC programs. For more information on the DNALC, visit www.dnalc.org

View the following 30-minute film on Saturday, April 26:

DNA: The Secret of Life: 12:30 pm & 2:30 pm

This presentation combines stunning animations and visual effects to chronicle the story of James Watson and Francis Crick's discovery of the DNA structure. Their 1953 discovery changed biology and has far-reaching impacts and implications for science research and human health and genetics.
