The next regular Board of Education meeting will be held on **Tuesday, January 14th** at 8pm at the DO.

## INFORMATION ON SAFETY DRILLS

As you are aware, New York State regulations require schools to conduct various types of safety drills throughout the year. This includes fire drills, sheltering drills, staging drills and lock-downs. Classroom teachers review procedures with the students and have prepared them for the increased frequency of scheduled drills. During the remaining months of the school year, we will conduct drills as a matter of course and without notification. Thank you for your continued support of our school safety procedures.

## ABSENCES

Your child's absence is being recorded as an unknown and unexcused absence if you do not make a telephone call to the nurse's office. An absence note is not sufficient. The phone call must be made.

## MUSIC HONORS

Congratulations to our 13 Nassau All-County Music Festival participants. Division I Concert (grade 5) is this Sunday and Division II (gr 6) in next weekend!

### **AFTER-SCHOOL CHANGES**
