## BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, March 11th** at 8pm at the DO.

## ORCHESTRA

5<sup>th</sup> and 6<sup>th</sup> grade early morning orchestra rehearsal is **CANCELLED** for Friday, March 14<sup>th</sup>. **Early morning orchestra and lessons** will resume on Wednesday, March 19<sup>th</sup>.

## PRACTICE-A-THON

Our 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> graders are invited to participate in a Practice-A-Thon, which will increase music skills and raise money for Long Island Cares. At this point, the packets have gone home and the timers have started. We hope all the students take a few minutes each day to play their instruments and sing for this worthy cause. Every minute counts! The students may pick up a new time sheet each week from any of the music rooms or the main office. Good luck!

### **OUTDOOR CLOTHING**

As the weather gets warmer, we will be going outside again for recess. Please be sure your children are wearing the appropriate **outdoor** clothing.

### **EARLY PICK-UP**

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

### **ABSENCES**

Your child's absence is being recorded as an unknown and unexcused absence if you do not make a telephone call to the nurse's office. An absence note is not sufficient. The phone call must be made.

### **DRIVING CAUTION**

When driving on the school grounds, please be mindful of our traffic patterns and be sure to proceed with caution.

### **MORNING ACTIVITIES DROP-OFFS**

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

### **AFTERNOON PICK-UP**

For safety reasons, we ask that all children being picked up in the back circle wait in line until picked up. Children are not allowed to cross over the parking lot.

### **AFTERNOON ACTIVITIES - DISMISSAL**

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

### **AFTERNOON BUILDING ACCESS**

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.

### **NEW STUDENT**

We welcome Lixi (Henry) Liang to Ms. Palmer's second grade class as of Monday, March 3<sup>rd</sup>. Henry lives at 3 Pine Drive, CSH and his phone number is 659-3561. Henry's mom and dad are Lily & Michael.

March 3, 2014

Dear Parents:

As you know, last year Cold Spring Harbor updated the format and structure of the Elementary Report Cards. We are now using our student management system, eSchoolData, to create the reports that you receive. **Beginning this marking period, parents will be able to access the report cards on the eSchoolData "Parent Portal".** They will be posted and available on Thursday, March 20 by 5 PM.

If you already have a Parent Portal account in eSchoolData (for a child in the Jr./Sr. HS) you are already set up. If this is your first experience with the portal and need an account, please follow the instructions below:

## Setting up an eSchoolData account:

Note: You only need to create one account to access the information for all of your children. In creating an account online, you will need to have the following information handy for one of your children:

- Parent/Guardian Name (apply using one parent's name only) and Student Name
- Student ID Number (can be found on schedule/progress report/report card, also is their lunch system ID number)
- Student Grade Level (as of September 2013)
- School (as of September 2013)

1. Go to the CSH webpage ([www.csh.k12.ny.us](http://www.csh.k12.ny.us))
2. Go to the pull down menu "For Parents" and click on "Parent Portal"
3. Scroll all the way down to "How can I apply for access to the portal?" and click the blue link that begins with "You can apply for an account online." Click "Yes" on the pop-up window.
4. The eSchoolData login screen will open. Click on "Online Registration" (bottom of the box).
5. You will be asked to fill out information on three tabs, beginning with the *Account Information* portion (followed by *Personal Information* and *Student Information*).
6. Once all parts have been filled out you will receive an automatically-generated email indicating that your registration information has been submitted. After the data has been reviewed, you will receive an additional email.

## Getting the Report Card:

1. Log onto your account
2. Click on the ID number of your child
3. For grades K-5 - click on the "ERC" tab
4. For grade 6 - click on "Report Card" tab
5. Click print for a hard copy.

Please know that for the marking period ending this month, Elementary Report Cards will also be distributed at the March parent conferences. In June, the final report cards will be both posted on the portal and mailed home.

Sincerely,

Lynn Herschlein, Goosehill Primary School Principal

Valerie Massimo, Lloyd Harbor School Principal

Kurt Simon, West Side School Principal

### Microscope Magic

9:00 – 11:00AM , Saturday, March 22, 2014  
West Side and Lloyd Harbor 2

Come join DNALC instructors for an introduction to basic microscopy. Microscopes are important pieces of equipment in the lab, but did you know they aren't all the same? Compound light microscopes are used to magnify microscopic samples so they appear hundreds of times larger! Stereo microscopes have a much lower magnification, but allow the user to see samples in three dimensions! Participants will learn how to use two different types of microscopes and view a wide array of both living and non-living samples.
