BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, May 13th** at 8pm at the DO.

STAFF APPRECIATION LUNCHEON

Once again the luncheon prepared for our entire faculty was incredible and welcomed by all. It is a wonderful occasion each year and we are constantly amazed by the delicious dishes that are served. We appreciate all the hard work and effort put forth by the parents who are part of the committee. Thank you very much!

PROPER CLOTHING

As the weather gets warmer, it is important for students to continue to dress suitably for school. Please take a moment to review our guidelines on appropriate clothing (as stated in the Student Agenda Book): Students may not wear short-shorts or flip flops (rubber beach shoes). Sneakers are the preferred choice of footwear. We appreciate the continued support from parents and students.

BAND REHEARSALS

There will be a required 5/6 Grade Band Rehearsal Tuesday morning, May 13 at 8:00 am. Students, please report to the gym.

SELECT CHORUS

Rehearsals are from 3-3:45 on Friday May 16th, 23rd and 30th. Pick up at the back circle.

DRIVING CAUTION

When driving on the school grounds, be mindful of our traffic patterns and be sure to proceed with caution.

ABSENCES

Your child's absence is being recorded as an unknown and unexcused absence if you do not make a phone call to the nurse's office. Although an absence note is still required, it is not sufficient. The phone call must be made.

AFTERNOON PICK-UP

For safety reasons, we ask that all children being picked up in the back circle wait in line until picked up. Children are not allowed to cross over the parking lot.

EARLY PICK-UP

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

MORNING ACTIVITIES DROP-OFFS

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

AFTERNOON ACTIVITIES - DISMISSAL

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

AFTERNOON BUILDING ACCESS

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.

FROM THE LHS/PTG

Staff Appreciation Luncheon

The LHS*PTG would like to extend a huge THANK YOU to Alison Faranello and all the wonderful volunteers who set up, cooked, donated, cleaned up and dropped off. Without all of you, none of this would have been possible. Thank you for giving the Staff at LHS such a memorable day.

Third Grade Talent Show

Save the Date for the Third Grade Talent Show - Thursday, May 29th from 7-9pm in the Gym.

FOCUS

Save the Date: FOCUS brings you Karen Torres, Distracted Driving Speaker, on Thursday, May 29th at 7pm at the District Office. All welcome.

New Student

We welcome Dyllan McBroom and his parents Jimmy and Eliete McBroom. They live at 8 Fairway Place, CSH and the phone number is 498-6086. Dyllan is in Ms. Katz' second grade class.

Students may wear any shirt that represents their team color.

Dear Parents/Legal Guardians:

We are pleased to announce that the iGame4 Fitness Program will be part of your child's/children's Physical Education class at Lloyd Harbor School from May 27 to May 28, 2014.

The primary goal of the iGame4 Program is to get children excited about fitness through the use of active video games. Our Fitness Program modifies the way children incorporate video games into their day, and makes it an active versus passive experience. We reinforce the fact that children no longer have to be stationary to play video games.

iGame4 achieves maximum results by working with Physical Education teachers to develop a curriculum that is fun, challenging and educational. Our Fitness Program improves endurance, flexibility, balance, and the overall health of students by integrating active video games into school curricula.

During Physical Education class, students will rotate through a variety of fitness stations, each featuring a large 100" screen, projector, video game console and a select curriculum related active video game. The iGame4 Fitness Program has many activities for all grade levels and special needs students. It is aligned with the New York State Physical Education and Health Learning Standards.

Please note that iGame4 will work with your child/children's regular Physical Education teacher during school hours. Prior to their participation, iGame4 will review safety and sanitation rules with all students. We welcome any questions you may have and can be reached at 631-406-5334.

We are very excited to be working with Lloyd Harbor School, the Physical Education teachers and the students.

Sincerely,

The iGame4 Team

**For Kids & Teens! *Programs from Cold Spring Harbor
Library's Youth Services Department. Registration Required!***
