A MESSAGE FROM THE PRINCIPAL SPOTLIGHT ON...ALADDIN!

This week, our sixth graders performed in four productions of the Disney Musical *Aladdin*! Today, we took a moment on *LHTV Morning News* to recognize their accomplishments!
For your enjoyment, I've attached (to Friday Notes) the poem I wrote and read to the students!

*"So in the end I must thank you – for what you created on stage...
A memory that will last a life time..." –Mrs. Massimo*

CONGRATULATIONS TO THE CAST AND CREW OF 2015'S ALADDIN!

LHS SCHOOL STORE

Please stop by the LHS School Store in the LHTV Newsroom (Room 107). We are fully stocked and selling long-sleeved shirts, wallets, stuffed lions, pencils, pens, erasers, stickers, and mood rings!

PICK-UP TRAFFIC FLOW

If you pick up your child at dismissal, you must go to the back circle. Please wait in line or, if you are here early enough and find an empty parking space, you may park and walk to the circle doors to meet your child. **Double parking is not allowed** since it is a safety issue for drivers as well as students. Cars may not be parked in the loading dock. Children are not allowed to walk from the back circle to the parking lot.

INTRAMURALS

Attention 5th and 6th Graders. Now that ice skating is over, intramurals will begin again on March 31st for 5th graders and April 2nd for 6th graders. If you attended intramurals in the fall, you do not have to sign up again. If you did not attend intramurals in the fall and are interested, please see Mr. O'Rourke for a permission slip.

AFTER SCHOOL ACTIVITIES

An important schedule update - Please note the new after-school activities schedule for iPad and Drama Clubs. Classes have been added to account for missed snow days. The remaining classes will take place March 30, March 31, April 13 and April 14. If you have any questions or conflicts, please contact Mrs. Danielski (adanielski@csh.k12.ny.us) or Ms. Copley (ccopley@csh.k12.ny.us).

BOARD OF EDUCATION

The next regular Board of Education meeting will be held on Tuesday, April 14th, at 8pm at the DO.

FROM THE LHS/PTG

Philanthropy Week

Look for our box in the cafeteria and feel free to donate any unopened, non-perishable snacks that you would like us to bring to the center for next month's "Philanthropy Week". We are looking forward to our next opportunity to LEND A HAND! The Try-CYA is located in the "Big H" shopping centre which is where Home Depot and Kmart are in Huntington on New York Avenue. If you drive in, head towards Famous Footwear. There is a driveway between Famous Footwear and Kmart. If you drive down there and bare left you will see the Try-CYA Center. At the Center, there is a Drop In Room and Homework Room for kids in that area to go after school to get some help with their homework, have a snack and relax in a friendly atmosphere. We are encouraging children from LHS to go to the Center to help out other children with their homework. Please take the time to look at the VolunteerSpot link to see how your child can help. You can either drop your child off or stay. There will always be a LHS Committee Member at the Try-CYA during homework help. Here's the link <http://vols.pt/gAu3LX>. The next chance to sign up will be on Monday, March 30th and Tuesday, March 31st. Questions, contact Paris Pappas at bauries123@yahoo.com or Kim Weiss at Kim@kimweiss.com.

Talent Day

Hello all Third Graders and Parents. It's time to start thinking about the very exciting Third Grade Talent Day. Planning has begun and 3rd Grade Talent Day will be on May 20, 2015 with a talent show that same date in the evening. The talent show in the evening will be open to all third graders – solo, duet and group acts are all welcome. Throughout the day, we will be spotlighting and celebrating third grade's talent. So third graders...start thinking about an act and who you will perform with and parents start collecting some photos that capture your third grader's talent (doing something he/she enjoys). The photos will be displayed and highlighted in school throughout the day on Talent Day. Be on the lookout for the detailed information/registration sheet and flyer that will be coming very soon. Any questions contact your Talent Day co-chairs: Regina Schneider (regina.schneider@yahoo.com); Jackie Arvans (jacarvans@gmail.com); Celeste Pezzano (celestepezzano@optonline.net).

CPC Meeting

Save the date for the next CPC meeting which will be held on Thursday, April 16th at 9am at District Office. Mrs. Bellino will be going over the Teacher Evaluations from the meeting that was cancelled in March and someone will be speaking from CAPS (Child Abuse Prevention Service) on Cyber Bullying.

Committees

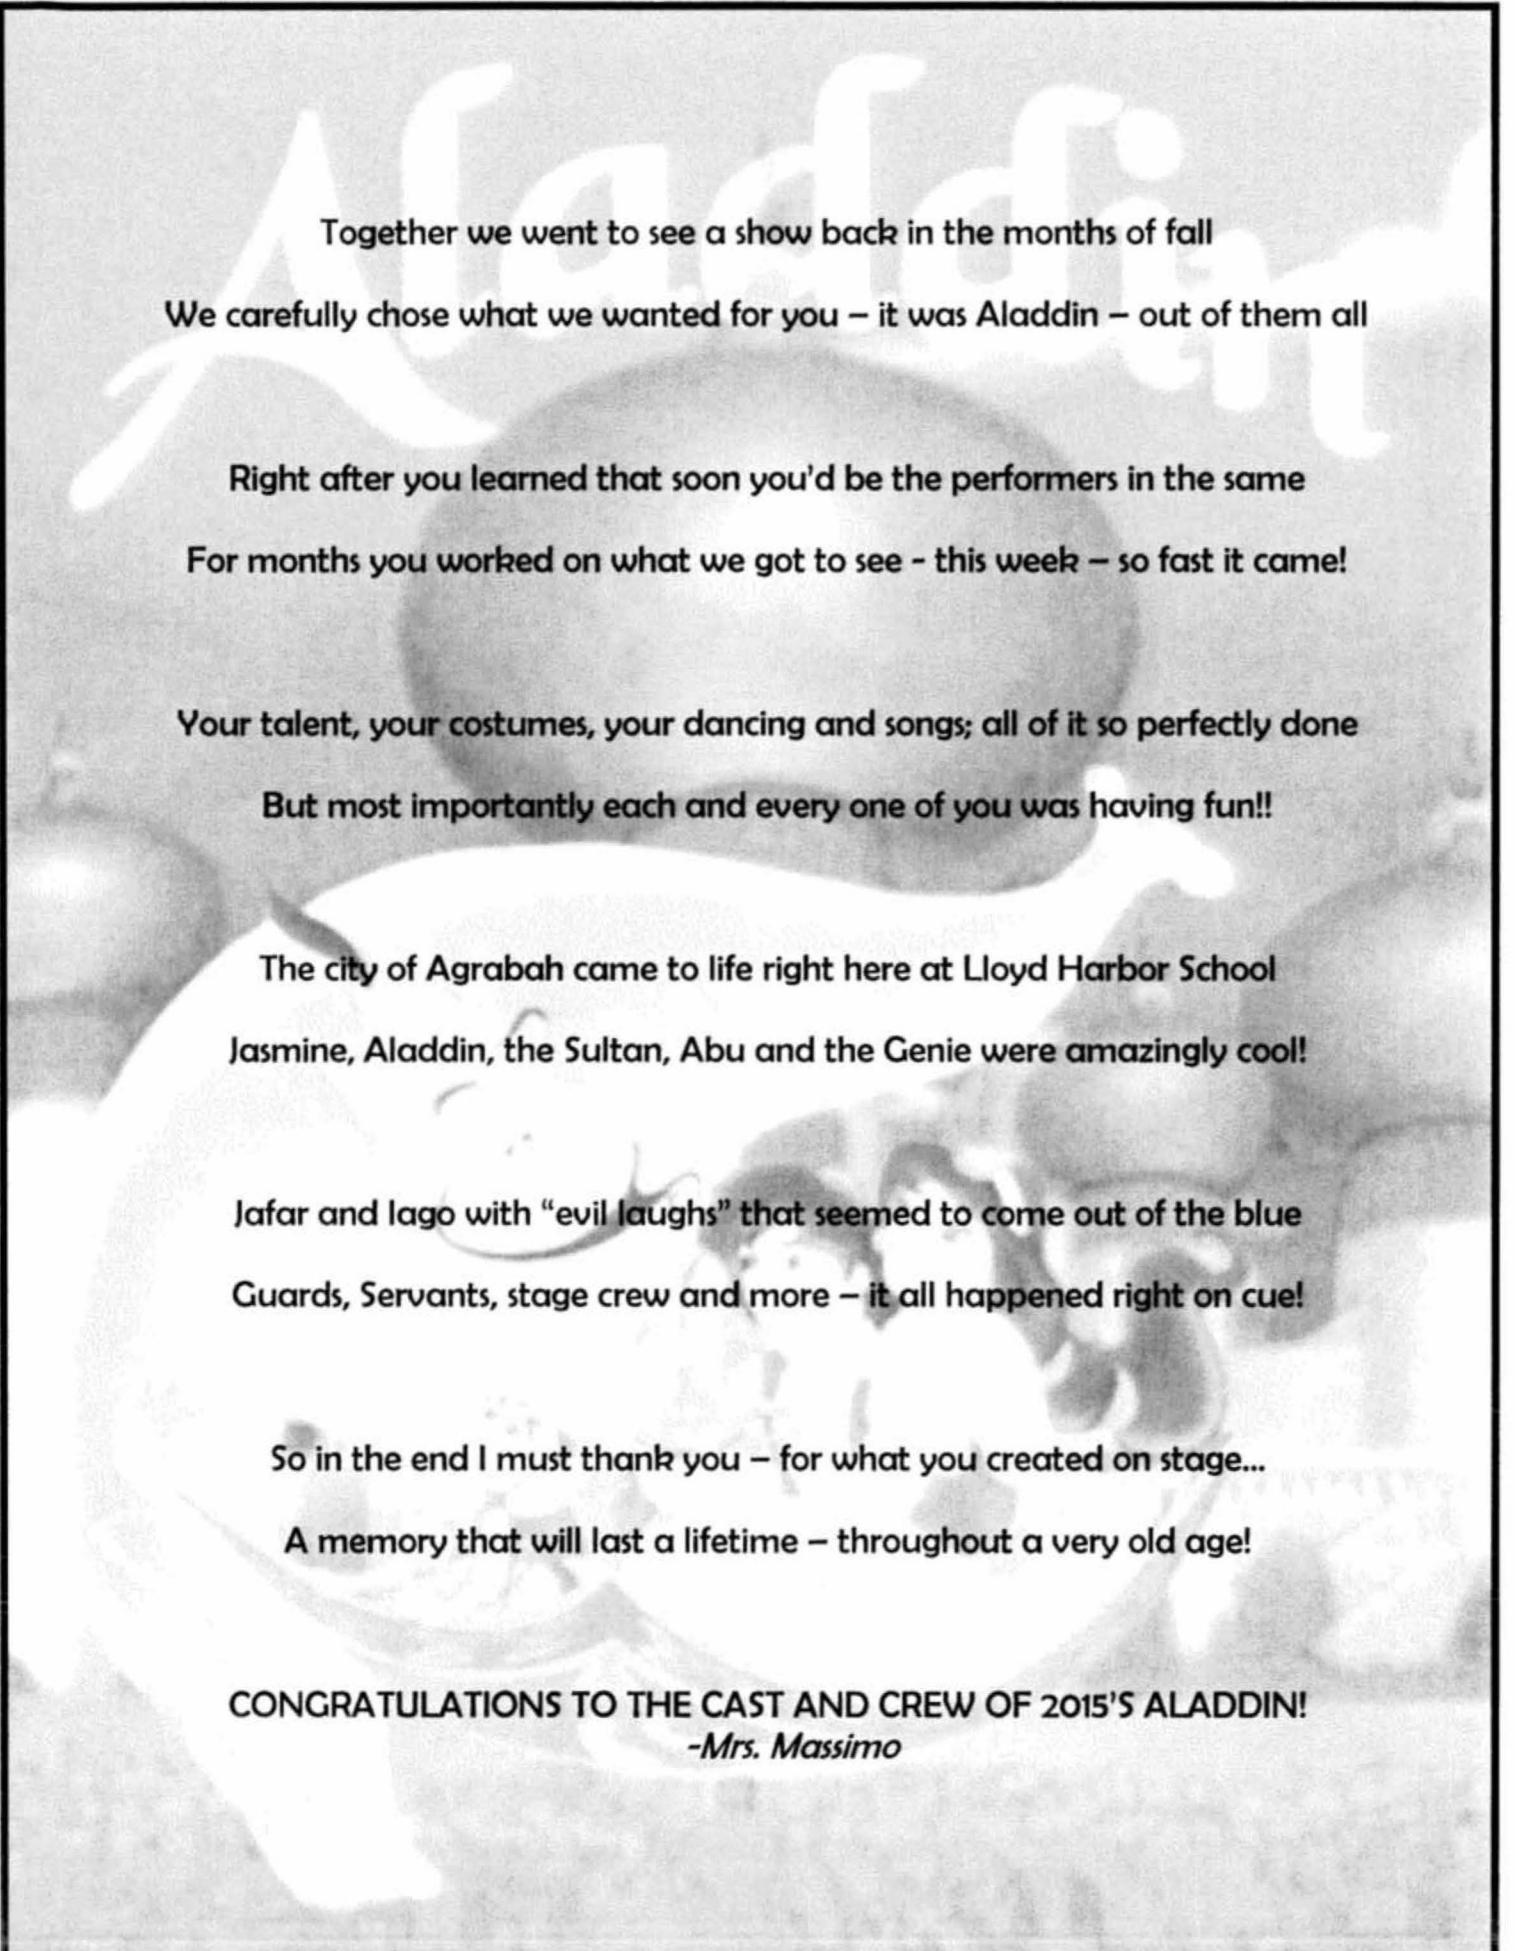

The LHS Board is looking for parents to chair (or co-chair) some pretty fantastic committees for the 2015-16 school year. This is a great way to get involved at LHS and to support some of the kids' favorite activities. 2nd Grade Fun ("Magic") Night • 3rd grade Talent Day • 6th Grade Graduation (two incoming 5th grade parents) • Beautification/Bulletin Board • Box Tops • Fall Festival • Veggie Garden • Holiday Cookie Bake • Kids Play (incoming 2nd or 3rd grade parent) • Year-end Staff Luncheon. For a specific job description, please go to <http://lhsptg.org/> and click the "Flyers" section, you will see it at the bottom of the list of flyers. Or email Gloria Godsell or Katie Walton for details gloriagodsell@gmail.com / katie@waltonfilms.com

LHS*PTG Meeting

The next LHS*PTG meeting will be on Thursday, April 23rd at 9:15am **AT THE DISTRICT OFFICE.**

Sixth Grade Roller Skating

A huge Thank You to Tricia Colon and Stephanie Kelly for chaperoning the Sixth Grade Roller Skating Party at United Skates of America on March 15th.

Together we went to see a show back in the months of fall
We carefully chose what we wanted for you – it was Aladdin – out of them all

Right after you learned that soon you'd be the performers in the same
For months you worked on what we got to see - this week – so fast it came!

Your talent, your costumes, your dancing and songs; all of it so perfectly done
But most importantly each and every one of you was having fun!!

The city of Agrabah came to life right here at Lloyd Harbor School
Jasmine, Aladdin, the Sultan, Abu and the Genie were amazingly cool!

Jafar and Iago with “evil laughs” that seemed to come out of the blue
Guards, Servants, stage crew and more – it all happened right on cue!

So in the end I must thank you – for what you created on stage...

A memory that will last a lifetime – throughout a very old age!

CONGRATULATIONS TO THE CAST AND CREW OF 2015'S ALADDIN!

LLOYD HARBOR THEATER ARTS
LLOYD HARBOR SCHOOL

March 27, 2015

Dear Parents and Students,

It is time to start this year's Fifth Grade Theater Workshop! The 2015 production will be ***High School Musical Junior***, a fun, fast-paced musical with themes of friendship, fun, determination and school spirit. The show is full of songs that the kids know and love and it is sure to be spectacular.

The sixth graders, who have spent the last two years performing on the Lloyd Harbor stage, have officially passed the torch to the fifth graders! It is their turn to step on the stage and experience the countless rewards of being a member of the Lloyd Harbor Theater Arts. This will be the 43rd show presented here at Lloyd Harbor, and we are confident that this will be the best year yet!

The first meeting will be on Tuesday, March 31, 2015 from 3:15-4:30. This will be the only meeting next week. We strongly encourage students to attend, as this is the only meeting before we go into auditions. At the meeting, we will discuss all the aspects of being a part of a production, as well as what to expect. In addition, we will be preparing the kids for auditions, which will take place the week after Spring Break (April 14 and 16).

Once we return from Spring Break, there will be weekly rehearsals that take place on Tuesdays, Thursdays and Fridays. Rehearsal schedules will be posted in the *Friday Notes*.

Please fill out the permission slip below with your child's name and class. Please have them bring it to the first meeting. Also, please make sure your child has a transportation slip. Students must have both the permission slip and the transportation slip to be able to attend the meeting.

We are looking forward to working with each and every one of you. With teamwork, dedication and a little stage magic, we will continue the fabulous legacy of Lloyd Harbor Theater Arts. We'll see you on Tuesday, and remember, "We're All In This Together!"

Sincerely,

Christopher McKee, Director

2015 SUMMER SCIENCE CAMPS

Register at: <http://summercamps.dnalc.org>

The DNA Learning Center (DNALC) of Cold Spring Harbor Laboratory is the world's first science center devoted entirely to genetics education. The DNALC "invented" DNA camps in 1985, and since then over 17,000 students have participated.

This summer, we offer fun and challenging camps for science enthusiasts entering 6th–12th grade at four locations: the **Dolan DNALC** and **Cold Spring Harbor Laboratory main campus** in Cold Spring Harbor; **DNALC West** in Lake Success; and **Harlem DNA Lab** in New York City. Guided by experienced instructors, students use sophisticated laboratory and computer equipment to perform experiments several grade levels ahead of their peers.

Fun with DNA (entering grade 6 or 7) immerses students in hands-on activities and experiments designed to build an understanding of cell biology, microbiology, genetics, and biotechnology.

World of Enzymes (entering grade 8 or Fun with DNA alumni entering grade 7) is an exploration of the use of enzymes in molecular biology as well as the food and health industries.

Green Genes (entering grade 9 or World of Enzymes alumni entering grade 8) introduces students to recombinant-DNA techniques used to manufacture human proteins such as insulin.

Forensic Detectives (entering grade 9) participants will experience forensics through a series of labs and activities in a more realistic fashion than portrayed on TV – it's not just DNA!

Backyard Barcoding (Green Genes alumni, entering grade 9) is an introduction to how DNA barcodes can be used to identify a species. Students learn how to use this information for both forensic identification and taxonomy.

DNA Science (entering grades 10-12) is a compilation of reliable lab experiments in molecular biology, which culminate in the construction and cloning of a recombinant DNA molecule.

Silencing Genomes (DNA Science alumni entering grades 11-12) explores the power of RNA interference (RNAi), a Nobel-prize winning discovery that has revolutionized how genes are studied.

BioCoding (DNA Science alumni entering grades 11-12) is an introductory course in bioinformatics and computer programming (coding) for students with little or no programming experience.

Genome Science (DNA Science alumni entering grade 11 or 12) integrates biochemical and computer methods used to analyze the genetic component of living things.

DNA Barcoding Research (DNA Science alumni entering grade 11 or 12) is a two-week independent research camp. Participants use DNA barcoding to survey the biodiversity of a specific ecosystem, and present their findings at a symposium.
