FROM THE LHS/PTG

Philanthropy Week

Look for Volunteer Spots for dates in May when your kids can lend a helping hand. Also look for our box in the cafeteria and feel free to donate any unopened, non-perishable snacks that you would like us to bring to the center for next month's "Philanthropy Week". We are looking forward to our next opportunity to LEND A HAND! The Try-CYA is located in the "Big H" shopping center which is where Home Depot and Kmart are in Huntington on New York Avenue. If you drive in, head towards Famous Footwear. There is a driveway between Famous Footwear and Kmart. If you drive down there and bare left you will see the Try-CYA Center. At the Center, there is a Drop In Room and Homework Room for kids in that area to go after school to get some help with their homework, have a snack and relax in a friendly atmosphere. We are encouraging children from LHS to go to the Center to help out other children with their homework. Please take the time to look at the VolunteerSpot link to see how your child can help. You can either drop your child off or stay. There will always be a LHS Committee Member at the Try-CYA during homework help. Here's the link: <http://vols.pt/qAu3LX>. Questions, contact Paris Pappas at bauries123@yahoo.com or Kim Weiss at Kim@kimweiss.com

Talent Day

All forms for the Third Grade Talent Show should have already been submitted. Planning has begun and 3rd Grade Talent Day will be on May 20, 2015 with a talent show that same date in the evening. The talent show in the evening will be open to all third graders – solo, duet and group acts are all welcome. Throughout the day, we will be spotlighting and celebrating third grade's talent. So third graders...start thinking about an act and who you will perform with and parents start collecting some photos that capture your third grader's talent (doing something he/she enjoys) -- the photos will be displayed and highlighted at school throughout the day on Talent Day. Be on the lookout for the detailed information/registration sheet and flyer that will be coming very soon. Any questions, contact your Talent Day co-chairs: Regina Schneider (regina.schneider@yahoo.com); Jackie Arvans (jacarvans@gmail.com); Celeste Pezzano (celestepazzano@optonline.net).

Committees

The LHS Board is looking for parents to chair (or co-chair) some pretty fantastic committees for the 2015-16 school year. This is a great way to get involved at LHS and to support some of the kids' favorite activities. 2nd Grade Fun ("Magic") Night • 3rd grade Talent Day • 6th Grade Graduation (two incoming 5th grade parents) • Beautification/Bulletin Board • Box Tops • Fall Festival • Veggie Garden • Holiday Cookie Bake • Kids Play (incoming 2nd or 3rd grade parent) • Year-end Staff Luncheon. For a specific job description, please go to <http://lhsptg.org/> and click the "Flyers" section, you will see it at the bottom of the list of flyers. Or email Gloria Godsell or Katie Walton for details gloriagodsell@gmail.com / katie@waltonfilms.com

LHS*PTG Meeting

The next LHS*PTG meeting will be on Thursday, April 23rd at 9.15am **AT THE DISTRICT OFFICE**. There will be a presentation on Cyber Bulling by CAPS.

April 17, 2015

Dear Parent/Guardian,

On behalf of the Lloyd Harbor Theater Arts Club, We would like to personally welcome you to the 2015 production of *High School Musical Junior!* It is sure to be a spectacular production that will provide a rich and fulfilling experience for everyone involved! Our young actors and actresses are making history, as this is Lloyd Harbor's 43rd Show! Lloyd Harbor Theater Arts is a program that has thrived over the years, and with your participation and support, it is sure to flourish for many more years to come.

As many of you already know, being a part of a production is a large time commitment as well as a huge responsibility. Both of which are well worth the effort, as your child will have an experience that is satisfying and rewarding on both an educational and a social level. As a cast member of this show, your child will learn valuable principles such as commitment, perseverance, time-management, self-confidence, and team- work. Also, they will gain experience with performing in front of a large audience with confidence and poise. All of these skills will serve them well now and later and life.

Regarding the aspect of commitment, it is crucial for all of us to be on the same page from the very beginning. Being part of this show is a large commitment for the child and the parent, and we all must work together in order to be successful. Every child is expected to be at rehearsal on the days and times that he/she is called. Rehearsals will take place on weekly basis on Tuesdays, Thursdays and Fridays and will run from 3:15-5:30. During the two weeks prior to the show, there will be rehearsals Monday-Friday for both of those weeks and the end time will be 6:30. Also, as a heads up, expect there to be a few Saturday rehearsals in late May. We will notify you of such rehearsals well in advance. Please note that not every student is called to every rehearsal. Each schedule will provide a detailed list of who is called on a particular day. Also, there will be no absences allowed for the two weeks prior to the show (June 1-10). Students will be able to access the weekly schedule in several ways. First, the weekly schedule will be on the Friday Notes. In addition, the weekly schedule and any notices to parents will be listed on the Lloyd Harbor Theater Arts website which is accessible on the Lloyd Harbor School Website. The theater arts link is located on the left side of the school's homepage. Should you have any questions regarding the schedule, or any other matter, please contact our parent coordinator Gen Massa at jmas1@optonline.net.

We have a "three strike" policy in order to hold the cast and crew accountable. The first strike is a warning, the second strike is a phone call home, and the third strike is removal from the show. The attached commitment contract lists the behaviors/conditions that constitute a strike. Please carefully review this with your child. Cast members should bring the signed contract to rehearsal on **Tuesday, April 20, 2015**. **This contract is your child's ticket to rehearsal.** Please tell your child **not** to give it to his/her teacher, but rather **bring it to rehearsal**. If your child does not have this contract on that day, he/she will be sent home. Also, please note that on the contract there is a section labeled "conflicts". If you are aware of any vacations, or conflicts in which your child cannot be at rehearsal, please list them as this will be quite useful in making the rehearsal schedule.

Finally, this show would not be possible without the help of the parents! We thank you in advance for all of your contributions to the show, and look forward to working with you. We will be having a parent meeting on Thursday, April 30 at 10:00 a.m. For more information about the parent committees, please contact Gen Massa. Also, as a reminder, the participation fee of \$50.00, payable to "LHSPTG Lloyd Harbor Theatre Arts Club," helps to defray costs of the production and must be paid following the posting of the cast. Please send the participation fee and your signed permission slip to the main office in an envelope addressed to: "LHSPTG Lloyd Harbor Theatre Arts Club." Include your child's name and teacher.

We thank you in advance for your cooperation and if you have any questions please do not hesitate to contact us. (631)367-8800. Also, you can leave a note in our mailbox in the main office. We look forward to a great year, and can't wait to see the magic that happens on the stage on opening night. Break a Leg!

Sincerely,
Christopher McKee, Director
Nancy Fastuca, Assistant Director

Transportation Timeline with Lego® Bricks
Challenge yourself and your friends!

If you like planes, trains and automobiles, then this unit is for you! Each week, students will build motorized models of a dragster, a railroad crossing gate, an airplane and more. Explore the history of transportation from horse and buggy and trains to the development of the automobile and flight. Each lesson introduces terminology related to each mode of transportation, like "lift and propulsion" for the airplane, as well as describes how each "vehicle" works. And the best part is -- the models are so much fun to play with! Lots of building fun ahead with motorized models of a train, car, dragster and airplane. These models rock, roll and spin! Your child can follow our step-by-step model plans to create their vehicle, then customize it to their own specifications and take their mini-figure for a ride!
