BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, October 14th** 8pm at the DO.

HALLOWEEN COSTUME DRIVE

The Student Council Halloween Costume Drive will begin on Monday, October 6th. Please send in new or gently-used costumes and help us donate to a great cause!

BOX TOPS

We are collecting Box Tops! Please bring in your box tops and deposit them in the plastic container outside of the Literacy Center (Room 107).

AFTERNOON PICK-UP

For safety reasons, we ask that all children being picked up in the back circle wait in line until picked up. Children are not allowed to cross over the parking lot.

BIRTHDAYS IN THE CLASSROOMS

For children who choose to celebrate their birthdays in school, non-food activities may be arranged through the classroom teacher. Food may not be served as part of the celebration.

DRIVING CAUTION

When driving on the school grounds, be mindful of our traffic patterns and be sure to proceed with caution.

EARLY PICK-UP

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

MORNING ACTIVITIES DROP-OFFS

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

AFTERNOON ACTIVITIES - DISMISSAL

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

AFTERNOON BUILDING ACCESS

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.

TOWNWIDE Operation E.D.I.T.H. Drill

1. Feel the door to check if it's HOT!
If it's Not Hot open the door slowly, bracing it with your knees and shoulder. But be prepared to slam it shut quickly if there's smoke and fire on the other side.

2. If the door is blocked by smoke or fire, leave through a window or secondary emergency route.

3. Once out of the house go directly to your meeting place, such as a tree or mailbox on your front lawn.

Knowing How To React In A Fire Could Save Your Life, Or The Lives of your Children

Coordinated through the efforts of
the Town of Huntington Office of the
Fire Marshal and in conjunction with
your local Volunteer Fire Departments.

"E.D.I.T.H." Stands For... "Exit Drill In The Home"

SMOKE DETECTORS

Most fatal residential fires occur while the occupants are asleep. Installing smoke detectors outside bedroom areas will provide the extra minutes of warning needed to escape. The most recent figures available from the National Fire Incident Reporting System indicates that the installation of a Smoke Detector will double your chance of survival during a fire.

DEVELOPING THE PLAN

Members of the family should work together to draw a plan of each floor of your house where bedrooms are located.

Your plan should include:

- The location of Smoke Detectors.
- Two escape routes; one for normal and one for Emergency use.
- All doors, windows, stairways, fire escapes and adjacent buildings.
- A central meeting place outside your home.

If a window is designated as an Emergency Route, make sure the person who uses it is able to reach and unlock the window, remove the screen and / or the storm window, reach the ground safely.

Designate someone to call the fire department from a neighbor's house. Post a copy of your finished plan in a conspicuous place as a constant reminder.

PRACTICE YOUR PLAN ON A MONTHLY BASIS AND REMEMBER THESE IMPORTANT HINTS:

- Sleeping with bedroom doors closed can add valuable minutes of protection against flame, smoke and toxic gases.
- If you have a telephone in your room, have the Fire Department's number on it or nearby.
- Keeping a whistle, horn, or other such audible signal near your bed may prove valuable in waking other members of your family who may not hear the smoke detector. If family members use a different signal you will know who is awake without opening doors.

**MAKE
OPERATION E.D.I.T.H.
A MEMBER OF YOUR FAMILY!**

PUTTING THE PLAN INTO ACTION

If the smoke detector sounds or you smell smoke, wake your family with your signal. If you hear another signal answer with yours. Keep Calm. Roll out of bed and crawl to the door. Feel the door from bottom to top. If it is hot near the top do not open it. Proceed to your designated emergency exit.

If the top of the door is not hot, brace your foot and shoulder against it and open it carefully. If there is only light smoke, crawl to the normal exit. If the smoke is dense or the door is hot use the Emergency Exit. Report to the designated meeting place.

Notify the Fire Department from a neighbor's house. **DO NOT ALLOW ANYONE TO RE-ENTER THE BUILDING FOR ANY REASON.**
