A MESSAGE FROM THE PRINCIPAL SPOTLIGHT ON...THE SCHOOL STORE

We all agree - two school stores are better than one!! For several years, the LHSPTG has had what now is called "The Lion's Pride", where parents can buy various items displaying either the LHS or CSH logo. In an effort to continue to build school spirit, Student Council now runs its own version of "The School Store". Here, children do the selling, buying, and ordering. In-stock items include t-shirts, pens, stickers, pencils - just to name a few. And, they all feature Austus the Lion, our LHS mascot! The prices of the items range from 10 cents to \$10 and are posted around the building. When students make a purchase, they are given an 'official' receipt from one of the student council members. The store is open three days a week (Tuesday, Wednesday, Thursday) from 8:30-8:50 am, at which time it closes down for the Morning News Broadcast. Faculty and staff also make purchases during these times, including the school shirts for spirit days which have been ordered in adult sizes! The smiles on the faces of the children are priceless. The items might have been carefully designed to promote school pride, but the whole concept of children managing the store brings joy to everyone. Through this experience, they learn responsibility, accountability, and strengthen their management skills. Younger children have positive interactions with older students, which also helps make our school community stronger. A special thank you to our student council officers (Anna, Sophia, Will and Julliane), Mr. Chiarello and Ms. Coniglio for making this all possible!!

BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, October 14th** 8pm at the DO.

HALLOWEEN COSTUME DRIVE

The Student Council Halloween Costume Drive is currently in progress. Please send in new or gently-used costumes and help us donate to a great cause! You can drop them off in the box outside the LHTV Newsroom.

BOX TOPS

We are collecting box tops! Please bring in your box tops and deposit them in the plastic container outside the Literacy Center (Room 107).

AFTERNOON PICK-UP

For safety reasons, we ask that all children being picked up in the back circle wait in line until picked up. Children are not allowed to cross over the parking lot.

DRIVING CAUTION

When driving on the school grounds, be mindful of our traffic patterns and be sure to proceed with caution.

EARLY PICK-UP

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

MORNING ACTIVITIES DROP-OFFS

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

AFTERNOON ACTIVITIES - DISMISSAL

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

AFTERNOON BUILDING ACCESS

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.

2nd GRADE BULB PLANTING

A special Thank You to Shalini Schetty, Grounds Cmte Chair and her parent volunteers (Kim Weiss, Linda Miller, Katie Gandolfo, Heather Spehr, Victoria Leventhal, Ginette Reynolds, Coriander Smyth) who helped our 2nd grade students plant daffodil bulbs in the school's courtyard as a way to acknowledge and celebrate their growth from 2nd through 6th grade. October 17, 2014

Dear Parents,

Our annual LHSPTG-sponsored **Fall Festival** event will be held on Friday, October 31st. There will be games, dancing, mini-golf and more! We are hoping for good weather so the Festival can be held on the field. In the event of rain, we will be indoors.

STUDENTS ARE INVITED TO COME TO SCHOOL DRESSED IN COSTUMES. **Please leave at home all masks, props, dangerous accessories, and items that resemble weapons.** Faces should not be completely covered (however accent paint or make-up is ok). Check your child's bag to ensure that what is coming to school is appropriate and safe. All pieces of the costume should be labeled with your child's name. Children who don't want to wear costumes are invited to wear black and orange.

Each grade level is scheduled to visit our Fall Festival at a specific time. Parents are welcome to attend. We ask that visitors follow the same costume guidelines. The schedule is as follows:

9:00 amGRADE 3
10:15 amGRADE 4
11:30 amGRADE 5
12:45 pmGRADE 2
2:00 pmGRADE 6

A small snack will be offered at the Festival. Please refer to the letter sent home from the PTG for specifics. As always, candy cannot be distributed in school at any time. Additional information will be coming home in an email blast from the PTG.

Please also remember, although we love them, dogs (and other pets) are not permitted at school events.

During the festival, we anticipate that there will be more cars than usual. Parents who are attending should consider car-pooling. We also strongly encourage you to have your children take the bus home at dismissal. If you do choose to pick up your child after school, please understand that you will have to wait in the "pick-up" line. **Students will only be released prior to dismissal for emergency purposes.**

If you have any questions, please call the main office. Thank you.

Sincerely,
Ms. Massimo & Mr. Gray

New Additions to our Parent Collection

***Brainstorm: The Power and Purpose of the Teenage Brain* by Daniel J. Siegel, M.D.**

In *Brainstorm*, Siegel explains how brain development impacts teenagers' behavior and relationships. Drawing on important new research in the field of interpersonal neurobiology, he explores novel ways in which understanding how the teenage brain functions can help parents make what is in fact an incredibly positive period of growth, change, and experimentation in their children's lives less lonely and distressing on both sides of the generational divide.
