BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, November 18th** 8pm at the DO.

EMERGENCY CHANGES IN TRANSPORTATION

If a situation arises where you must make a change in your child's afternoon dismissal from school and you e-mail us in the office, we will respond to your e-mail so you will know it has been received. If you do not receive a response, please follow up with a telephone call to check if it was received.

HALLOWEEN COSTUME DRIVE

The Student Council Halloween Costume Drive is currently in progress. Please send in new or gently-used costumes and help us donate to a great cause! You can drop them off in the box outside the LHTV Newsroom.

BOX TOPS

We are collecting Box Tops! Please bring in your box tops and deposit them in the plastic container outside of the LHTV Newsroom (Room 107) to help us meet this year's goal.

6th GRADE SELECT CHORUS

Select Chorus ends at 3:45PM. Pick-up is at the back circle. If you need the permission slip, it can be found under "School Notices" on the school's website.

SAFETY DRILLS

As you are aware, New York State regulations require schools to conduct various types of safety drills throughout the year. This includes fire drills, sheltering drills, staging drills and lock-downs. Classroom teachers review procedures with the students and have prepared them for the increased frequency of scheduled drills. During the remaining months of the school year, we will conduct drills as a matter of course and without notification. Thank you for your continued support of our school safety procedures.

PAST ISSUES OF FRIDAY NOTES

Past issues of Friday Notes can be found on our website. Go to the CSH webpage and select Lloyd Harbor under "schools". Then click on *Friday Notes* in the side-bar and you will be able to access a particular edition through the calendar.

EARLY PICK-UP

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

MORNING ACTIVITIES DROP-OFFS

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

AFTERNOON ACTIVITIES - DISMISSAL

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

AFTERNOON BUILDING ACCESS

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.

Fall Festival

Don't forget to mark your calendars for the Fall Festival and come in to support your child and his/her class at the allocated times. Flyer with times has already gone home via backpacks.

October 24, 2014

Dear Parents;

Head lice is a year-round concern. We must be vigilant to help prevent the spread of lice in our classrooms.

It is recommended that you do weekly head checks on your child, paying close attention to the nape of the neck and behind the ears. If you see your child scratching or they complain of an itching or tickling feeling, please check them immediately.

Please refer to the following links for more information:

If you have any questions or concerns feel free to contact the health office. I would be happy to assist you.

I thank you, in advance, for your cooperation and look forward to a great school year.
