BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, November 18th**, 8pm at the DO.

EMERGENCY CHANGES IN TRANSPORTATION

If a situation arises where you must make a change in your child's afternoon dismissal from school and you e-mail us in the office, we will respond to your e-mail so you will know it has been received. If you do not receive a response, please follow up with a telephone call to check if it was received.

Student Council

There will be a Student Council meeting on Monday, November 3rd at 8:00am in the cafe. All representatives must attend. The Student Council Halloween Candy Drive will run from Monday, Nov. 3rd through Friday, Nov. 7th. Please donate your leftover candy to our troops overseas! You can drop off your donations in the box outside the LHTV Newsroom.

BOX TOPS

We are collecting Box Tops! Please bring in your box tops and deposit them in the plastic container outside of the LHTV Newsroom (Room 107) to help us meet this year's goal.

6th GRADE SELECT CHORUS

Select Chorus ends at 3:45PM. Pick-up is at the back circle. If you need the permission slip, it can be found under "School Notices" on the school's website.

MORNING ACTIVITIES DROP-OFFS

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

SAFETY DRILLS

As you are aware, New York State regulations require schools to conduct various types of safety drills throughout the year. This includes fire drills, sheltering drills, staging drills and lock-downs. Classroom teachers review procedures with the students and have prepared them for the increased frequency of scheduled drills. During the remaining months of the school year, we will conduct drills as a matter of course and without notification. Thank you for your continued support of our school safety procedures.

PAST ISSUES OF FRIDAY NOTES

Past issues of Friday Notes can be found on our website. Go to the CSH webpage and select Lloyd Harbor under "schools". Then click on *Friday Notes* in the side-bar and you will be able to access a particular edition through the calendar.

EARLY PICK-UP

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

AFTERNOON ACTIVITIES - DISMISSAL

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

AFTERNOON BUILDING ACCESS

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.

Christopher Agostino's
StoryFaces™

*The stories come to life on
the faces of the audience.*

Christopher Agostino, author of *Transformations: The Story Behind the Painted Faces*, presents a one-of-a-kind- performance combining storytelling with his amazing face painting to bring stories from around the world to life. It's surprising and delightful theater for any age.

Christopher Agostino's
StoryFaces™
Tales of Transformation and Wonder

Transformations Storytelling is coming to your school!

Before there were TVs, video games or computers, people told stories. Whether to explain the world around them, teach lessons about the animals they shared it with or just to entertain, folktales have been part of humanity since the dawn of time. In his series of **StoryFaces** storytelling shows, Christopher Agostino brings original and traditional tales into the modern world, illustrated by his amazing facepainting transformations on the faces of some audience volunteers. Christopher uses a playful style of storytelling to completely involve the entire audience, combined with mask and makeup art from the same world cultures that tell these tales, to create a unique performance that will amaze any audience. To transform ourselves with body art and masks is a universal human art, practiced in every culture around the world for theatre, rituals, celebrations, status markings, or simply as a beautiful art.

StoryFaces brings a world of stories to life on the faces of the audience.

Christopher picks his volunteers right from the audience as part of the show, so no one knows what student might be going home with a painted face or an adventurous story to tell.

If you have any questions about our facepainting or our selection of volunteers right from the audience during the show, PLEASE CONTACT US NOW.

Some Information for You:

- **The Makeup:** we only use non-toxic, theatrical makeup. It's comfortable, dries quickly and meets all US safety standards for children's makeup. This is the same high quality makeup we have used for twenty years painting faces in the NY area at places such as the Bronx Zoo and Coney Island Aquarium. Learn more at: <http://agostinoarts.com/AboutTheMakeup>

- **Washes off with soap and water:** the make-up washes off easily from faces, hands, clothes, anything - with simple soap and water. (Wet the child's face to soften the makeup then wash with soap and water with a soft towel, and rinse off -- you don't need to scrub hard.)

- **It doesn't hurt:** The makeup is applied with sponges and soft brushes. It may tickle, but it won't hurt. Once it dries, you hardly know it's on your face.

It's so safe kids can eat with it on, and we encourage them to wear their face through the school day so everyone gets to see how they look.
