BOARD OF EDUCATION

The next regular Board of Education meeting will be held on **Tuesday, November 18th** 8pm at the DO.

EMERGENCY CHANGES IN TRANSPORTATION

If a situation arises where you must make a change in your child's afternoon dismissal from school and you e-mail us in the office, we will respond to your e-mail so you will know it has been received. If you do not receive a response, please follow up with a telephone call to check if it was received.

STUDENT COUNCIL

The Student Council Candy Drive was a huge success! Thank you to everyone who donated. The packages will be delivered to our troops in time for Veteran's Day!

BOX TOPS

We are collecting Box Tops! Please bring in your box tops and deposit them in the plastic container outside of the LHTV Newsroom (Room 107) to help us meet this year's goal.

6th GRADE SELECT CHORUS

Select Chorus ends at 3:45PM. Pick-up is at the back circle. If you need the permission slip, it can be found under "School Notices" on the school's website.

MORNING ACTIVITIES DROP-OFFS

Only those children who have a scheduled morning activity may be dropped off before the 8:30AM start of school. We do not have the personnel to monitor students left here before this time.

EARLY PICK-UP

If you decide, after your child has left for school, that you need to pick him/her up early, it is not necessary to call ahead. Please just come to the front office and we will call your child for dismissal. Back-up notes are still necessary when your child has a change in transportation at the end of the day.

SAFETY DRILLS

As you are aware, New York State regulations require schools to conduct various types of safety drills throughout the year. This includes fire drills, sheltering drills, staging drills and lock-downs. Classroom teachers review procedures with the students and have prepared them for the increased frequency of scheduled drills. During the remaining months of the school year, we will conduct drills as a matter of course and without notification. Thank you for your continued support of our school safety procedures.

AFTERNOON ACTIVITIES - DISMISSAL

All students attending an after-school activity will be picked up at the back circle. Please follow the traffic pattern of the PM dismissal (reverse traffic flow). As always, the safety of our children is paramount. Children are not permitted to cross between cars or through the parking lots.

AFTERNOON BUILDING ACCESS

Please note there will be no access into the school after 4:15pm unless it has been previously arranged.
