### A MESSAGE FROM THE PRINCIPAL

#### **SPOTLIGHT ON...Café Feature Item of the Month - CLEMENTINES**

As part of a School Improvement Team (SIT) initiative, we are working with Food Services to improve the excitement about what is being served in the LH Café! This month, we are introducing the concept of a 'feature item'. January is CLEMENTINE MONTH – that means students will be enjoying these delicious fruits as part of their school lunches!

☛ What is it?

A clementine is a hybrid cross between a Chinese Mandarin and a Sweet Orange.

☛ What's so great about them?

They are juicy and less acidic than an orange. They are easy to peel and are mostly seedless. Delicious!

☛ Why should I eat it?

Each clementine has 36 milligrams of Vitamin C, that's almost all of the Vitamin C you need in one day. Vitamin C is needed to grow and repair your body.

☛ Fun Fact

When bees cross-pollinate clementines with other fruits, clementines can lose their seedless quality. In 2006, clementine growers in California threatened to sue beekeepers to keep the bees away from their crops to prevent the dreaded seeds!

### **ARTISTS CORNER**

Congratulations to our "Artist of the Month" for January Toby Altholz! Winter penguins by 35 are on display by the art room. Snow globes and winter scenes by 2nd graders are in the second grade hallway. Snowmen by 3rd graders coming soon to the bulletin board by the gym. Save the date: "Empty Bowl Project" - Thursday April 14th for all students. More information to follow. Happy New Year.

### **SPECIAL ANNOUNCEMENT**

Student Council representatives: There will be a meeting this upcoming Monday 1/11 at 8am in the café.

### **BRINGING FRIENDS ON A BUS FOR PLAYDATES**

As you know, many of our buses are quite full. Therefore, as previously shared, we can only allow a student to bring home one or two friends on his/her bus. If you have an extenuating circumstance, please call the office so we can try to accommodate your request.

### **EARLY PICK-UP**

If you need to pick up your child before regular dismissal, you must be here before 2:45PM. All pick-ups after that time will occur at the back circle due to the arrival of the buses and traffic flow.

### **DISMISSAL PICK-UP**

If you pick up your child at dismissal, you must go to the back circle. Please wait in line, or, if you are here early enough and find an empty parking space, you may park and walk to the circle doors to meet your child.

### **KINDERGARTEN REGISTRATION**

If your preschool child will be 5 years old on or before December 1, 2016, he/she is eligible for kindergarten in September 2016. Please contact the District Registrar, Gloria Albert, (631 367-5910) to ensure that your child's name appears on the District census. Only those families whose child's name appears on the census will receive a registration packet from the Superintendent. Registration begins in February.

### **BOARD OF EDUCATION**

The next regular Board of Education meeting will be held on Tuesday, January 12th, at the DO.

### **FROM THE LHS/PTG**

#### **2nd Grade Event**

Save the Date: "Magic Night" at 7PM.

#### **6th Grade Event**

Save the Date: The 6th graders will be having a joint mixer with West Side at Bounce on Sunday, 1/24/16 from 5-7pm

#### **Lost and Found**

Please remember to label all items. If you are missing anything, please check the Lost and Found located in the cafeteria. Anything left in the Lost and Found without a name will be donated to the TriCYA on the first Thursday of each month.

#### **Box Tops**

We are collecting Box Tops! Please bring in your box tops and deposit them in the plastic container outside the LHTV Newsroom (Room 107) to help us meet our goal.

#### **FOCUS**

Please join our next Parent Event as FOCUS presents a workshop on Conquering School Anxiety – Tips for Parents and Students, on Wednesday, January 27<sup>th</sup> at 9AM in the Goosehill Community Room. We are delighted to welcome our special guest speaker, Merdyth D. Kravitz, Psy.D, who will present us with applicable strategies that will help us help our children. Let's learn how to relax and stay calm so we can offer our children support in being better-prepared and more successful as test takers. We're all in this together!

Happy New Year from the PTG! We are looking forward to a great 2016!

The most classic of all fairy tales springs to life in this fast-paced musical production! Featuring a professional cast and live music, all the ingredients that have made the story a perennial favorite are here - ragged Cinderella, her cruel stepmother and selfish stepsisters, the ball, the handsome prince looking for a bride, the fairy godmother, the glass slipper, the search for the foot that fits it, and the happily-ever-after ending! This musical will delight the young and the 'young at heart.'
