SAFETY DRILLS

This includes fire drills, sheltering drills, staging drills and lock-downs. Classroom teachers review procedures with the students and have prepared them for the increased frequency of scheduled drills. During the remaining months of the school year, we will conduct drills as a matter of course and without notification. Thank you for your continued support of our school safety procedures.

Manners, Social Skills and Ballroom Dance Classes

Children learn so much more than dancing!

For generations we have helped our students grow into well-mannered young adults by helping them develop social skills, confidence and poise while having fun. Our program stresses the importance and practice of good manners and presents instruction in ballroom dancing. Dancing is used as our teaching vehicle using games to keep the children engaged. The basic ballroom dances are taught in the beginning grade and then each year new steps are added as the children move through the program. Being confident and relaxed with dancing will prove to make all social events for your child fun and enjoyable.

Theme Nights Fourth and Fifth Grades

6:15 - 7:30

In order to provide a more varied program, a special series of theme nights has been planned emphasizing a new learning experience, in a party atmosphere with seating at tables and refreshments at each session.

We realize at this age, the girls and boys are eager to socialize. This special program provides a wonderful way to interact socially with one another as well as learning more advanced dancing.

Emphasis will continue on making a good first impression with firm handshakes and good eye contact including taking time to present themselves in a poised, neatly attired and confident manner.

Table manners and dining etiquette will also be part of the theme night program. Dining behavior at home, at a friend's house and at every type of restaurant will be discussed. All general dining courtesies will be covered including seating, place settings, napkins, proper handling of food, personal electronics and dining conversation.

Many topics of social etiquette will be covered including greeting people as they first come in contact with them. Proper introduction of adults and peers, entering and exiting buildings, coat and chair courtesies, manners for phones and personal electronics, respectful behavior at all social gatherings, notes and "thank you" phone calls are included.
