April is Earth Month and Earth Day Begins at Home!

There are plenty of ways you can make every day **Earth Day!** The *LH School Improvement Team* is expanding Earth Day (4/22/16) to **Earth Month** and using it as a reason to continue improving our efforts to green-up LHS! Improve your own small part of the planet by considering these suggestions for spring-cleaning, garden preparation, and home improvements.

- **Purchase non-toxic cleaning products.** Use natural fiber sponges and cleaning agents that are biodegradable, phosphate-free, chlorine-free, and unscented.
- **Reduce paper use.** Use rags instead of paper towels; cloth napkins instead of paper ones. Buy post-consumer recycled paper and recycle it when you've used it.
- **Refurbish responsibly.** Use water-based or vegetable-based paints, stains, and varnishes. Look for products with LOW or NO VOCs (volatile organic compounds aka the really nasty stuff). Don't wash paint thinners, household cleaners, oil, or pesticides down the drain or pour them on the ground; use them up, give leftovers to friends or a charity, or dispose at your local toxic waste disposal center.
- **Repair instead of replace.** Reupholster furniture. Resole your shoes. Try and not throw away, donate donate donate what you can no longer use.
- **Replace disposable goods with renewable ones.** Buy rechargeable batteries. Use dishes instead of paper plates. Bring a coffee cup with you!
- **Plant for the planet.** Strengthen your garden's resistance to pests by planting resilient plants, and by attracting friendly bugs to prey on the pesky ones. Skip the pesticides and toxic fertilizers, remember it isn't only the earth and wild life that is harmed but your children and pets play on that lawn in all those chemicals!

PTG Board Members

Many thanks to Marisa Addeo, PTG VP, for her volunteer work this year, including but not limited to the Parent Directory, the Ambassador Program, and the staff breakfasts & luncheons. Marisa will be stepping down at the end of the year. Amanda Light, current co-committee chair, would like to make a lateral move to VP. The PTG board asked Rosanna Prestia if she would be interested in the co-committee chair board position. Rosanna has been very helpful and generous with her time volunteering at almost all PTG sponsored events, as well as being a class parent. At the March meeting, the Board presented the option of Amanda Lights moving to VP and Rosanna Prestia to fill the empty co-committee chair position. This announcement will run in The Friday Notes until the April meeting. The PTG Association will vote at the April meeting which is Tuesday, April 12th at 9:15 in the Little Theater.
