FROM THE SCHOOL

DISMISSAL CHANGES MUST GO TO CLASSROOM TEACHERS

If a change is necessary, please review it with your child and send a note to the teacher in the morning. Please avoid contacting the office to make a change to your child's dismissal plan once the school day has begun as it causes a disruption to classes and impacts instructional time. We appreciate your cooperation.

*****PARENT-TEACHER CONFERENCE SIGN-UP*****

Please see the flyer in the table of contents to assist you in signing up for Spring Conferences.

SWITCHING BUSES FOR PLAYDATES

As a reminder, when setting up playdates, the maximum number of additional children riding the bus with your child is TWO. Our buses are full and we do not have the room to accommodate large numbers of playdates or parties. Thank you for your support.

LATE TO SCHOOL

Just a reminder, students are marked late to school if they get to their classroom after 8:50AM. If you are dropping off your child after this time, you must drop off at the main entrance. The back door will be locked promptly at 8:50AM.

Mpower 2017

Long Island's "Don't Miss" Mother/Daughter empowerment event is back for its second year! Mpower is a half-day event with nationally renowned speakers providing interactive workshops, educational panels and motivational movements for 4-8 grade girls + their moms. When: SATURDAY, MARCH 11 - Registration and continental breakfast opens at 8am. Event: 9am-1pm - Where: LIUPost – Hillwood Commons, Brookville, NY. Register: <http://www.amightylass.com/register> Why you need to #GETHERTHERE: The world can be tough on girls. When they hit middle school, seven out of ten girls believe they are not good enough or don't measure up in some way, including their looks, performance in school and relationships with friends and family members. Evidence shows that to succeed, confidence matters as much as competence. A Mighty Lass has designed Mpower to provide the tools and strategies girls need to develop into strong, brave and confident young women. We realized early on the best way to empower young girls is to develop deep, nurturing relationships with their mothers. Mpower is also geared towards empowering mothers to be the best version of themselves so they can #RaisePowerfulGirls. This is the one event of 2017 that you are not going to want to miss! #GetHerThere

New York State Senate Earth Day Competition 2017 Poster Contest

The Earth Day Competition is for school children in grades K-6 from every corner of New York State. The Senate's goal is to encourage children to develop an awareness of the environment and its resources. Teaching children about the importance of recycling and waste reduction is critical as we face the environmental challenges of the 21st Century.

OUR THEME: REDUCE, REUSE, RECYCLE

The Senate's focus is to emphasize the importance of recycling and waste reduction, to encourage the exchange of ideas about recycling and waste reduction among schools, children and adults and to stimulate creative thinking about solutions to problems concerning recycling and waste reduction. We are asking students to create a poster that could be used as part of this campaign.
