## **IMPORTANT ANNOUNCEMENT REGARDING DISMISSAL**

To ensure that dismissal is orderly and safe for all children, your child's daily dismissal plan should be as consistent as possible. If a change is absolutely necessary, a note must be sent to the classroom teacher with the child in the morning. **We respectfully request that you avoid calling the Main Office to make a change to your child's dismissal plan once the school day has begun.** When such a change is made after the children have started their day, it causes confusion and disrupts instructional time. Therefore, please understand that **mid-day dismissal changes can only be accommodated in emergency situations.** We appreciate your cooperation as we work to ensure the safety and security of all children.

## **FROM THE SCHOOL**

### **DISMISSAL CHANGES MUST GO TO CLASSROOM TEACHERS**

If a change is necessary, please review it with your child and send a note to the teacher in the morning. Please avoid contacting the office to make a change to your child's dismissal plan once the school day has begun as it causes a disruption to classes and impacts instructional time. We appreciate your cooperation.

### **\*\*\*PARENT-TEACHER CONFERENCE SIGN-UP\*\*\***

Please see the flyer in the table of contents to assist you in signing up for Spring Conferences.

### **SWITCHING BUSES FOR PLAYDATES**

As a reminder, when setting up playdates, the maximum number of additional children riding the bus with your child is TWO. Our buses are full and we do not have the room to accommodate large numbers of playdates or parties. Thank you for your support.

### **LATE TO SCHOOL**

Just a reminder, students are marked late to school if they get to their classroom after 8:50AM. If you are dropping off your child after this time, you must drop off at the main entrance. The back door will be locked promptly at 8:50AM.

# New York State Senate Earth Day Competition 2017 Poster Contest

The Earth Day Competition is for school children in grades K-6 from every corner of New York State. The Senate's goal is to encourage children to develop an awareness of the environment and its resources. Teaching children about the importance of recycling and waste reduction is critical as we face the environmental challenges of the 21<sup>st</sup> Century.

## OUR THEME: REDUCE, REUSE, RECYCLE

The Senate's focus is to emphasize the importance of recycling and waste reduction, to encourage the exchange of ideas about recycling and waste reduction among schools, children and adults and to stimulate creative thinking about solutions to problems concerning recycling and waste reduction. We are asking students to create a poster that could be used as part of this campaign.

## ENTRIES

• Entries should be photographed and submitted electronically, preferably in a jpeg format via [marcellino.nysenate.gov](http://marcellino.nysenate.gov) • Entries will be displayed on the Senator's website.
