TICK ALERT

As a reminder, we live in an area surrounded by trees and wildlife. Tick-borne illness is an ongoing concern for all of us. Parents should continue to check their children for ticks on a regular basis and be alert for the typical symptoms of tick-related illnesses; fever, headache, fatigue, and muscle aches. If your child has been bitten by a tick or exhibits any of these symptoms, please consult your pediatrician.

END OF YEAR DISMISSAL

The following early dismissals will be in effect: Wednesday, June 21st Noon dismissal, Thursday, June 22nd Noon dismissal, Friday, June 23rd 10:30AM dismissal.

DISMISSAL CHANGES MUST GO TO CLASSROOM TEACHERS

If a change is necessary, please review it with your child and send a note to the teacher in the morning. Please avoid contacting the office to make a change to your child's dismissal plan once the school day has begun as it causes a disruption to classes and impacts instructional time. We appreciate your cooperation.

FIELD DAY SHIRTS

Field Day Shirts are on sale in the school store. The Store is open Tuesday - Thursday.

PROPER DRESS

Please remember that proper footwear is expected at all times. Flip-flops and other beach shoes must not be worn to school. I would also like to bring to your attention that SLIPPERS are not appropriate. Students are expected to wear shoes that are safe and conducive to walking around the building, as well as participating in physical education and recess activities. Thank you for your cooperation.

Cold Spring Harbor Laboratory's DNA Learning Center (DNALC) is the world's first science center devoted entirely to genetics education. The DNALC invented DNA camps over 30 years ago, and over 19,000 students have participated. Guided by experienced instructors, students entering 6th–12th grades use sophisticated laboratory and computer equipment to perform experiments several grade levels ahead of their peers.
